Landau, Russ: Amazon.sg: Books

"A compact yet thorough collection of readings in ethical theory and contemporary moral problems - at the best price"--

This collection of primary source materials covering the major themes of moral philosophy features forty-two classical and contemporary readings divided into four parts--The Good Life, Normative Ethics, Metaethics, and Moral Problems. Comprehensive yet concise, it introduces students to ethical theory and a wide range of moral issues.

"An exceptionally clear, compact, and affordable introduction to a broad range of ethical theories"--

Read Book Ethical Life Shafer Landau Final

Living Ethics: An Introduction with Readings is an ideal all-in-one resource for courses in introduction to ethics and contemporary moral problems. In this hybrid textbook/reader, Russ Shafer-Landau brings moral theory and contemporary moral issues to life with a comprehensive and balanced set of readings, uniquely engaging explanations, and clear analysis of arguments. The book balances coverage of moral reasoning (in Part 1) with highly relevant contemporary moral problems (in Part 2).

A Concise Introduction to Ethics is an abbreviated and simplified version of Russ Shafer-Landau's best-selling textbook/primer on ethical theory for the introduction to ethics and introduction to contemporary moral issues courses, The Fundamentals of Ethics. For many

philosophy departments these ethics courses are their largest enrollment offerings, often fulfilling a university general education requirement. Shafer-Landau's *The Fundamentals of Ethics* has been the #1 selling ethics textbook for years primarily because it provides students with the clearest and most accessible explanations of ethical theories available. It is relatively brief, and yet quite comprehensive, covering more theories than the competing texts do but also presenting them in the most understandable way--the author has a direct conversation with the students. This book will be about 1/3 shorter than *The Fundamentals of Ethics*, while still maintaining its content advantage over competing books by including several areas of theory that others omit, including the good life (value theory), natural law, and prima facie duties. A Concise

Read Book Ethical Life

Shafer Landau Final

Introduction to Ethics will be based on the first part of Shafer-Landau's new OUP hybrid textbook/reader Living Ethics. The end of each chapter features several cases and discussion questions so students get opportunities to apply ethical theories to real-world moral issues and problems. Like its parent book, this volume can be paired with Shafer-Landau's reader The Ethical Life, which includes key reading selections from ethical theory and essays on contemporary moral problems. It can also accompany any reader on ethics or contemporary moral issues.

In The Fundamentals of Ethics, author Russ Shafer-Landau employs a uniquely engaging writing style to introduce students to the essential ideas of moral philosophy. Offering more comprehensive coverage of the good life, normative ethics, and metaethics than any other text of its

Read Book Ethical Life

Shafer Landau Final

kind, this book also addresses issues that are often omitted from other texts, such as the doctrine of doing and allowing, the doctrine of double effect, ethical particularism, the desire-satisfaction theory of well-being, and moral error theory. Shafer-Landau carefully reconstructs and analyzes dozens of arguments in depth, at a level that is understandable to students with no prior philosophical background. Ideal for courses in introductory ethics and contemporary moral problems, this book can be used as a stand-alone text or with the author's companion reader, *The Ethical Life: Fundamental Readings in Ethics and Moral Problems*, which offers original readings exploring the topics covered in *The Fundamentals of Ethics*.

A Concise Introduction to Ethics offers a condensed and exceptionally well-written introduction to the essential moral

Read Book Ethical Life Shafer Landau Final

theories. Based on Russ Shafer-Landau's best-selling primer on ethical theory, *The Fundamentals of Ethics*, this briefer volume retains the longer one's content advantage over competing books by addressing issues that other texts omit, including the good life (value theory), natural law, and prima facie duties. It also incorporates discussion questions and case studies at the end of each chapter, giving students the opportunity to apply ethical theories to real-world moral problems. A perfect companion to Shafer-Landau's anthology, *The Ethical Life*, this volume's compact size and low price make *A Concise Introduction to Ethics* an ideal complement to any course where it is important that students understand moral theories.

Shafer Landau Final

The original essays in this book address the influential writings of Peter A. French on the nature of responsibility, ethics, and moral practices. French ' s contributions to a wide spectrum of philosophical discussions have made him a dominant figure in the fields of normative ethics, meta-ethics, applied ethics, as well as legal and political philosophy. Many of French ' s deepest insights come from identifying and exploring the scope and nature of moral responsibility and human agency as they appear in actual events, real social and cultural practices, as well as in literature and film. This immediacy renders French ' s scholarship vital and accessible to a wide variety of audiences. The authors, recognized for their own contributions to the understanding of the nature of morality and moral practices offer new and unique positions while exploring, expanding and responding to

Shafer Landau Final

those of French. The final chapter is written by French, in which he provides both new philosophical insight as well as some reflection on his own work and its influence. This book will appeal to philosophers, as well as advanced students and researchers in the humanities, social sciences, law, and political science.

Asking, How could they do it? about the many ordinary people who have been perpetrators and those who resist extensive evils—genocide, human trafficking, endemic sexualized violations of females, economic exploitation—the book delves into historic, contemporary, national, and international examples. The author, a moral philosopher, draws also on literature, psychology, economics, journalism, pop culture. Reversing Arendt ' s banality of evil, she finds that mind-deadening banality, thoughtless
