way. Yeah, reading craving will not isolated create you have any favourite activity. It will be one of opinion of your life. when reading has become a habit, you will not make it as disturbing actions or as tiring activity.

Extension And Communication

Online Library Extension Communication And **Management** By G L Ray

Communication - the sharing of ideas and information - forms a large part of the extension agent's job. By passing on ideas, advice and information, he hopes to influence the decisions of farmers. He may also wish to encourage farmers to communicate

Online Library Extension Communication And

Management By O. L. Ray
with one another; the sharing of problems and ideas is an important stage in planning group or village activities.

4. Extension and communication - Food and Agriculture ...

Communication refers to the process

Online Library Extension Communication And

Management By which information is exchanged between two or more people (increasingly, machines are also included in communication, but we limit the discussion here to communication between people). Each of the management roles—planning, organizing, leading, and

Online Library Extension Communication And

controlling—depends on effective communication.

Communication and Management | Principles of Management

The extension agent communicates with the people in groups and not as individual persons. Examples are

Online Library Extension Communication And

Management By OL Day,
group meeting, small group training,
field day or farmers' day, study tour
etc. Mass contact: The extension
agent communicates with a mass of
people, without taking into
consideration their individual or group
identity.

Online Library Extension Communication And Management By G.L. Ray | **Management**

The fundamental objective of Home Science extension education is the 'development of the people' or 'the destination man'. The general objectives of extension education and communication management include

Online Library Extension Communication And

1. To assist people to discover and analyze their problems, their felt and unfelt needs.
