Shelter – Farewell to Eden (2019) by Italian director Enrico Masi documents the story of Pepsi, a transsexual activist, and her trek for freedom. Pepsi, as we get to know only one of her eight aliases, represents the many LGBTQ+ who make the trek in search of gender equality, citizenship, and recognition as a human being.

Shelter – Farewell to Eden is a triple leave from childhood, virginity and former colonial identity. ' Shelter ' is a postcolonial fable, which – much like its anonymous protagonist – constantly changes shape between identities. 16mm film, analogue video and iPhone footage contribute to a phantom image of life in the urban underground.
