This book helps the perspective readers' from computer industry and academia to derive the advances of next generation computer and communication technology and shape them into real life applications.

This book discusses multilingual postcolonial common law, focusing on Malaysia's efforts to shift the language of law from English to Malay, and weighing the pros and cons of planned language shift as a solution to language-based disadvantage before the law in jurisdictions where the majority of citizens lack proficiency in the traditional legal medium. Through analysis of legislation and policy documents, interviews with lawyers, law students and law lecturers, and observations of court proceedings and law lectures, the book reflects on what is entailed in changing the language of the law. It reviews the implications of societal bilingualism for postcolonial justice systems, and raises an important question for language planners to consider: if the language of the law is changed, what else about the law changes?

Sometimes survival isn't just about staying alive... Widowed and alone on the frontier, Elspeth Stewart will do whatever it takes to protect herself and her unborn child from the dangers of the wilderness and of men. Though her youthful beauty doesn't show it, she is broken and scarred from the way men have treated her. So when a stranger wanders onto Bethie's land, wounded and needing her aid, she takes no risks, tying him to the bed and hiding his weapons before ministering to his injuries. But Bethie's defenses cannot keep Nicholas Kenleigh from breaking down her emotional walls. The scars on his body speak of a violent past, but his gentleness, warmth, and piercing eyes arouse longings in her that she never imagined she had. As Nicholas and Bethie reveal to each other both their hidden desires and their tortured secrets, they discover that riding the flames of their passion might be the key to burning away the nightmares of their pasts.

The Stag and Hen Weekend is the story of Phil and Helen, a couple in their thirties about to commit their lives to one another . . . that is of course if they can just manage to get through their respective stag and hen weekends (his: Amsterdam, hers: a country house and day spa in the Peak District) without falling apart. Told in the unique form of two separate stories that have common characters as well as themes and conclusion, The Stag and Hen Weekend can be read from front to back or from back to front putting the reader in the driver's seat as to which story they wish to read first. Feisty, fun and thought provoking.

Missing, Believed Crazy is a clever, funny and thought-provoking crime caper from the author of Boy2Girl. New in paperback! Five kids at an exclusive private school hatch a daring plan to fake a kidnap and raise money for charity. There's brainy scholarship boy, Wiki, super-glam Jade, too-cool-for-school Mark, everyone's best friend Holly—and then there's Trix. It was her brilliant idea in the first place. A kidnap, a rural hideaway, a load of money, and all for the very best of motives. What could possibly go wrong?
