Financial Intelligence for Entrepreneurs: What You Really ...

Financial Intelligence for Entrepreneurs covers the core topics in modern finance: the income statement, the balance sheet, the cash flow statement, the matching principle, depreciation and amortization, and important financial ratios. Also included is a detailed but easy-to-understand explanation of why each topic is important, how each statement and ratio is constructed, and (crucially) the implicit assumptions used in each tool, which can mislead the unwary or uninformed.
