Oracle Hyperion Financial Management 11 Essentials These questions are similar to the ones asked in the actual Test. How should I know? I know, because although I have been working as a Hyperion Consultant for many years, I have myself recently certified with the latest version of the Certification test. Before you start here are some Key features of the Certification Exam. This certification exam verifies that the candidate has the knowledge required in the area of Hyperion Financial Management This certificate builds on basic consultant skills and experience that is then refined by practical experience during several projects. The certification covers skills such as: creating applications using and EPMA and via the classic method, loading data, defining rules, working with shared services and defining reports. The exam targets the intermediate-level implementation team member. The exam is Computer based and you have 105 minutes to answer 60 Questions. The Questions are (mostly) multiple choice type and there is NO penalty for an incorrect answer. Some of the Questions have more than one correct answer. You must get ALL the options correct for you to be awarded points. For questions with a single answer, the answers will have a button next to them. You will be able to select only one button. For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers. You are not allowed to use any reference materials during the certification test (no access to online documentation or to any Oracle system). Clearing the Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. So if you have little or no experience, you should get yourself certified, get some project experience, and then the whole of the Oracle World open for you to explore. Helping you with the first step on you ladder to success is this book! Some UNIQUE features of this Book: - There is NO Other quality material in the market for this Certification exam. - The author has himself cleared the exam. - All questions are multiple choice format, similar the questions you will get in the actual exam. - Over 110 authentic questions, testing the exactsame concepts that will be tested in Your exam!

An approved text for the Professional Qualification, this 'Exam Kit' enables you to practise your exam technique and apply your knowledge and understanding. It contains revision guidance, actual ACCA exam questions and official answers, and gives details of the syllabus, exam format and analysis of past papers and ACCA guidelines.
