healthy life expectancy, social freedom, generosity, and absence of corruption, as per Reuters. The report also asked citizens of the 156 nations analyzed to rate their own happiness by evaluating their lives.

I asked 10 Finnish people what their secret to happiness ...

"Universal healthcare is seen by Finns as 'the right things to do' as a moral issue, with the underlying economics as a secondary issue. Debate about it is ongoing, but the focus is mostly on how to achieve goals rather than how to eliminate it, or whether such benefits are deserved by those who use them," Lippo said.

What life is like in Finland, the happiest country in the ...

I realised, hey, you could do both!" When her month at sea was up, Finn traded skills with a pal in the tech sector who was in training for the Galway Bay Swim – he set up Finn's healthy eating blog [www.finsfitfood.com](http://www.finsfitfood.com) in return for a fistful of healthy recipes. The blog quickly attracted an enthusiastic following so much so, that by the ...

If the Finnish archipelago and long Baltic coast make you think about beautiful summer days filled with sailing and boating, you are definitely on the right track. But the Finnish coast invites you for many great experiences throughout the year.

What Are the Finns Like? — VisitFinland.com

At the beginning of the First World War, Finland was an autonomous Great Duchy within the Russian Empire. Even though the Finnish territory was spared of most of the fighting, it witnessed a series of military operations for three and a half months during the Civil War (January 27<sup>th</sup> – May 15<sup>th</sup>, 1918). The global conflagration and its consequences had decisively influenced the destiny of the Finns, and unexpectedly, the evolution of the conflict and the collapse of Tsarism led to Finland ...

Did you know that the Finns are among the biggest coffee drinkers in the world? We ask a few of them why that is. The Finns consume an amazing 12 kilograms of coffee per capita annually, putting them at the top of the world. (This cup is from Finnish tableware manufacturer Arabia.) Photo: Dorit Salutskij/Arabia

Exploring the Finnish affinity for coffee - thisisFINLAND

We hate their ice hockey teams, Zlatan Ibrahimović, and Ikea (although we buy everything from there — it's so cool, cheap, and handy!) We hate their accent and the fact that the richest Finns have Swedish as their mother tongue. 3. Laziness. When I go to family gatherings, my relatives always ask what I do for a living.
