Fitness Theory And Practice Afaa | dev.horsensleksikon

For those not familiar, AFAA Primary Certification is a widely recognized certification in the group fitness industry. You have to take the workshop and pass the written and practical exams to get your certification. You have to do continuing education to maintain your certification over time. Basically, it's no joke.

AFAA Primary Group Exercise Certification Tips - The Chic Life

Though most fitness professionals won't be creating a pre- or post-surgery program for people with such memorable monikers, we are likely to encounter an increasing number of clients who are having these procedures. (See "The Rising Demand for New Joints.") For a great course in practical pilates, be sure to swing by the AFAA website.

Pilates and Joint Replacement Recovery - AFAA

Spas, fitness studios and wellness clinics are beginning to add meditation classes to their class schedules. Meditation is a mental exercise that when practiced routinely trains the brain to think, process and react differently.
