My curiosity aroused, I leaf back through the pages and start reading Lochan ' s essay. It ' s about a young man, an undergraduate, returning to university in the  
summer break to find out whether he has got his degree. Joining the throngs that crowd the display boards, the guy discovers to his astonishment that he has  
received a first, the only one in his department. But instead of elation, he ...

Forbidden by Tabitha Suzuma made me do both. It's an incredibly powerful story about Lochan and Maya, siblings born only thirteen months apart. Though they  
are only seventeen and sixteen respectively, they act as the adults of their household: taking care of three younger siblings, managing financial affairs, all on top of  
completing their school

Thanks for accepting my friend request, Tabitha! I recently read "Forbidden", and let me say that not many writers could have been able to write about such a  
controversial issue with your exquisite gentleness. I loved it, despite its bitter end! :( I'll definitely check your other works out! x

Sixteen-year-old Maya and seventeen-year-old Lochan tell, in their separate voices, of their confusion and longing as they fall in love with one another after years of functioning as parents to three younger siblings due to their alcoholic mother's neglect.

At seventeen, Matheo Walsh is Britain's most promising diving champion. He is wealthy, popular - and there's Lola, the girlfriend of his dreams. But then there was that weekend. A weekend he cannot bring himself to remember. All he knows is that what happened has changed him. Mathéo is faced with the most devastating choice of his life. Keep his secret, and put those closest to him in terrible danger. Or confess, and lose Lola for ever . . .

Life as a student is good for Flynn. As one of the top pianists at the Royal College of Music, he has been put forward for an important concert, the opportunity of a lifetime. But beneath the surface, things are changing. On a good day he feels full of energy and life, but on a bad day being alive is worse than being dead. Sometimes he wants to compose and practise all night, at other times he can't get out of bed. His flatmate Harry tries to understand but is increasingly confused by Flynn's erratic mood swings. His friend Jennah tries to help, but Flynn finds it difficult to be around her as he struggles to control his feelings and behaviour. With the pressure of the forthcoming concert and the growing concern of his family and friends, emotions come to a head. Sometimes things can only get worse before they get better.

An Instant New York Times Bestseller! Contains an extended excerpt from *The Gilded Wolves*. Fate and fortune. Power and passion. What does it take to be the queen of a kingdom when you're only seventeen? Maya is cursed. With a horoscope that promises a marriage of Death and Destruction, she has earned only the scorn and fear of her father's kingdom. Content to follow more scholarly pursuits, her whole world is torn apart when her father, the Raja, arranges a wedding of political convenience to quell outside rebellions. Soon Maya becomes the queen of Akaran and wife of Amar. Neither roles are what she expected: As Akaran's queen, she finds her voice and power. As Amar's wife, she finds something else entirely: Compassion. Protection. Desire... But Akaran has its own secrets -- thousands of locked doors, gardens of glass, and a tree that bears memories instead of fruit. Soon, Maya suspects her life is in danger. Yet who, besides her husband, can she trust? With the fate of the human and Otherworldly realms hanging in the balance, Maya must unravel an ancient mystery that spans reincarnated lives to save those she loves the most. . .including herself. A lush and vivid story that is steeped in Indian folklore and mythology. *The Star-touched Queen* is a novel that no reader will soon forget.

In his final year at the Royal College of Music, star pianist Flynn Laukonen has the world at his feet. He has moved in with his girlfriend Jennah and is already getting concert bookings for what promises to be a glittering career. Yet he knows he is skating on thin ice - only two small pills a day keep him from plunging back into the whirlpool of manic depression that once threatened to destroy him. Unexpectedly his friends seem to be getting annoyed with him for no apparent reason, he needs less and less sleep, he is filled with unbridled energy. Events begin to spiral out of control and Flynn suddenly finds himself in hospital, heavily sedated, carnage left behind him. The medication isn't working any more, the dose needs to be increased, and depression strikes again, this time with horrific consequences. His freedom is snatched away and the medicine's side-effects threaten to jeopardize his chances in one of the biggest piano competitions of his life. It seems like he has to make a choice between the medication and his career. But in all this he has forgotten the one person he would give his life for, and Flynn suddenly finds himself facing the biggest sacrifice of all.

The dark power of the Fear family consumes all those connected with it. No one can escape the evil of the family's curse—not even the Fears themselves. Savannah Gentry doesn't believe that. She marries Tyler Fear. But then she goes with him to Blackrose Manor. That's when the deaths begin. That's when she learns his terrible secret....

An edgy, sexy USA TODAY bestseller about falling for the one person you can't have. Maise O'Malley just turned eighteen, but she's felt like a grown-up her entire life. The summer before senior year, she has plans: get into a great film school, convince her mom to go into rehab, and absolutely do not, under any

circumstances, screw up her own future. But life has a way of throwing her plans into free-fall. When Maise meets Evan at a carnival one night, their chemistry is immediate, intense, and short-lived. Which is exactly how she likes it: no strings. But afterward, she can't get Evan out of her head. He's taught her that a hookup can be something more. It can be an unexpected connection with someone who truly understands her. Someone who sees beyond her bravado to the scared but strong girl inside. That someone turns out to be her new film class teacher, Mr. Evan Wilke. Maise and Evan resolve to keep their hands off each other, but the attraction is too much to bear. Together, they're real and genuine; apart, they're just actors playing their parts for everyone else. And their masks are slipping. People start to notice. Rumors fly. When the truth comes to light in a shocking way, they may learn they were just playing parts for each other, too. Smart, sexy, and provocative, *Unteachable* is about what happens when a love story goes off-script.

When you were a baby I sat very still to hold you. I could see the veins through your skin like a map to inside you. I stopped breathing so you wouldn't ... You were just a boy on a bed in a room, like a kaleidoscope is a tube full of bits of broken glass. But the way I saw you was pieces refracting the light, shifting into an infinite universe of flowers and rainbows and insects and planets, magical dividing cells, pictures no one else knew ... Your whole life you can be told something is wrong and so you believe it.

His eyes told her what his tongue could not. Nineteen-year-old Onaiza Shahid is a loner and a dreamer, bookish and socially isolated. A chance ramble into a chatting software changes everything. The words of a stranger compel her. Addicted and falling fast, their secret love changes her life. But will the idealistic teenager get her happily ever after?

This book is translated from the original German, four star rated novel "Unsere Liebe ist eine Sünde". Beatrice, called Bea, and David are siblings in a fragile home. Her dad lets himself go completely in his alcohol intoxication. As the mother can't stand it any longer, she moves to her lover. The two neglected young people only remain their cohesion. With catastrophic consequences ...
