Interior Glass Systems. dormakaba interior glass systems bring the benefits of glass to your projects: transparency, daylighting, versatility, efficiency, space savings, and a low cost of ownership. Whether you ' re selecting manual sliding doors for an open office environment, framed or frameless glass walls for conference rooms, or moveable glass walls that let you catch all the action in a stadium or arena, dormakaba offers a clear advantage to make your project visibly inviting.

Interior Glass Systems - Products | dormakaba

Sliding glass doors in CGS and CGF series are offered for both ceiling and wall-mounted applications. For wall-mounted installations, the system offers a unique feature: the distance between the wall and the glass panel can be adjusted between a minimal ½ ' ' to 1 ' ' depending on design requirements, thereby adding a useful versatility to the other benefits of the system.
