states that content precedes design, and is intrinsic to its value. He says that without content, graphic design is but a shell of its potential shelf and doesn't offer anything of substance.

~~The 50 best graphic design quotes of all time.~~

Exceptional graphic design blends the use of several elements to create a visually arresting piece. Graphic designers employ the use of colors, textures, lines, shapes, sizes, value, and space to create their work. Often, the end result elicits emotions or reactions in the viewer that serve to define a brand's
