On May 28, 2016, a three-year-old boy climbed into a gorilla enclosure at the Cincinnati Zoo and Botanical Garden and was grabbed and dragged by Harambe, a 17-year-old western lowland gorilla. Fearing for the boy's life, a zoo worker shot and killed Harambe.

Killing of Harambe - Wikipedia

Harambe was a gorilla who lived at the Cincinnati Zoo. He was born on May 27, 1999. He was assassinated on May 28, 2016. From the moment of his birth Harambe was a very special gorilla. On May 28, 2016, a child whose unattentive parents were with him at the zoo, fell into the exhibit. Harambe heroically grabbed the child in an effort to protect him and show him around. However, the zoo ...

Dicks out for Harambe is one of the most popular memes that followed the gorilla's death. It generated a snowclone "dicks out for X" which spread to entirely non- Harambe related subjects. Harambe has also gone on as a metaphor for a beloved martyr of an all-consuming media trend whose very sensationalism self-generates more attention.

Harambe | Dictionary.com

Harambe the Gorilla was a 17-year-old Western lowland silverback gorilla who was shot and killed at the Cincinnati Zoo after a child fell into his enclosure in late May 2016. The incident was wildly criticized online by many who blamed the child's parents for the gorilla's untimely death.

<p>Here's where. Why not the two lions who were shot at a zoo in Santiago, Chile, when a man climbed into their enclosure less than a week before the Harambe incident? But the grief swiftly became something else. While #BritishThreatLevels can be seen as a slightly-skewed stiff-upper-lip "we will not be cowed" response to terrorism, the Harambe memes were somewhat more off-kilter, and took ...

Harambe the Gorilla was brutally murdered on the 28th of May 2016. Harambe was a humble, caring and beautiful gorilla who worked in the "Gorilla World" attraction at Cincinnati Zoo. This fantastically funny, erotic and touching narrative aims to immortalize the King of the Gorillas Harambe. Warning: This Book contains sensitive material surrounding the death of our hero Harambe (GONE SEXUAL). If you are easily triggered I suggest proceeding with caution! TRIBUTEThis novel is dedicated to the gentle giant Harambe. The world will never again be blessed with such a bright beacon of hope and love. Much like other celebrities and people of importance (such as President John F Kennedy, President Lincoln, John Lennon, Tupac Shakur and Zabuza Momochi), Harambe was murdered before his time. Harambe has transcended reality and will be forever immortalized in our prayers and our hearts. I would like to take this moment to encourage you all to honor our fallen hero. Dicks out old friend, dicks out. ABOUT THE AUTHORRichard Stroker started his writing career in the field of academics. Stroker possess a Doctorate degree in Anthropology from Harvard University. Richard also traveled to the United Kingdom to complete a Masters degree in 'Meme Themed Dissing' from the prestigious University of Oxford. Stroker prides himself on his ability to fuse politics, history and homoerotic romance into an unarguably flawless narrative structure, time and time again. Richard Stroker has critically secured his place as being among the best young Harambe-centric homoerotic authors of the 21st century. FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE "A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving." —New York Times Book Review, Editors' Choice "Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable." —David Sedaris From "a formidably gifted writer" (The New York Times Book Review), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms "the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats--from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness--begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

How two centuries of Indigenous resistance created the movement proclaiming "Water is life" In 2016, a small protest encampment at the Standing Rock Reservation in North Dakota, initially established to block construction of the Dakota Access oil pipeline, grew to be the largest Indigenous protest movement in the twenty-first century. *Water Protectors* knew this battle for native sovereignty had already been fought many times before, and that, even after the encampment was gone, their anticolonial struggle would continue. In *Our History Is the Future*, Nick Estes traces traditions of Indigenous resistance that led to the #NoDAPL movement. *Our History Is the Future* is at once a work of history, a manifesto, and an intergenerational story of resistance.

New York Times bestselling author and star of *2 Dope Queens* Phoebe Robinson is back with a new, hilarious, and timely essay collection on gender, race, dating, and the dumpster fire that is our world. Wouldn't it be great if life came with instructions? Of course, but like access to Michael B. Jordan's house, none of us are getting any. Thankfully, Phoebe Robinson is ready to share everything she has experienced to prove that if you can laugh at her topsy-turvy life, you can laugh at your own. Written in her trademark unfiltered and witty style, Robinson's latest collection is a call to arms. Outfitted with on-point pop culture references, these essays tackle a wide range of topics: giving feminism a tough-love talk on intersectionality, telling society's beauty standards to kick rocks, and calling foul on our culture's obsession with work. Robinson also gets personal, exploring money problems she's hidden from her parents, how dating is mainly a warmed-over bowl of hot mess, and definitely most important, meeting Bono not once, but twice. She's struggled with being a woman with a political mind and a woman with an ever-changing jeans size. She knows about trash because she sees it every day--and because she's seen roughly one hundred thousand hours of reality TV and zero hours of *Schindler's List*. With the intimate voice of a new best friend, *Everything's Trash, But It's Okay* is a candid perspective for a generation that has had the rug pulled out from under it too many times to count.

Harambe the Gorilla was brutally murdered on the 28th of May 2016. Harambe was a humble, caring and beautiful gorilla who worked in the "Gorilla World" attraction at Cincinnati Zoo. This fantastically funny, erotic and touching narrative aims to immortalize the King of the Gorillas Harambe. Warning: This Book contains sensitive material surrounding the death of our hero Harambe. If you are easily triggered I suggest proceeding with caution! This gripping novel finds Harambe coming out of retirement! Harambe plays the role of Hillary Clinton and runs for president against Donald Trump. Who will win?!**TRIBUTEThis novel is dedicated to the gentle giant Harambe. The world will never again be blessed with such a bright beacon of hope and love. Much like other celebrities and people of importance (such as President John F Kennedy, President Lincoln, John Lennon, Tupac Shakur and Zabuza Momochi), Harambe was murdered before his time. Based on the blog of the same name, a humorous book pairs 120 photos of Ryan Gosling with favorite feminist theories.

The 2016 U.S. presidential election revealed a nation deeply divided and in flux. This volume provides urgently needed insights into American politics and culture during this period of uncertainty. The contributions answer the election's key mysteries, such as how contemporary Christian evangelicals identified in the unrepentant candidate Trump a hero to their cause, and how working class and economically struggling Americans saw in the rich and ostentatious candidate a champion of their plight. The chapters explain how irrationality is creeping into political participation, and demonstrate how media developments enabled a phenomenon like "fake news" to influence the election. At this polarized and contentious moment, this volume satisfies the urgent need for works that carefully analyze the forces and tensions tearing at the American social fabric. Simultaneously intellectual and accessible, this volume is designed to illuminate the 2016 U.S. presidential election and its aftermath for academics and students of politics alike.

Collages of illustrations provide bizarre images for a surrealistic novel about a young girl's apocalyptic dreams of hell and marriage to the celestial bridegroom

A denunciation of the credentialed elite class that serves capitalism while insisting on its own progressive heroism Professional Managerial Class (PMC) elite workers labor in a world of performative identity and virtue signaling, publicizing an ability to do ordinary things in fundamentally superior ways. Author Catherine Liu shows how the PMC stands in the way of social justice and economic redistribution by promoting meritocracy, philanthropy, and other self-serving operations to abet an individualist path to a better world. *Virtue Hoarders* is an

unapologetically polemical call to reject making a virtue out of taste and consumption habits. Forerunners: Ideas First is a thought-in-process series of breakthrough digital publications. Written between fresh ideas and finished books, Forerunners draws on scholarly work initiated in notable blogs, social media, conference plenaries, journal articles, and the synergy of academic exchange. This is gray literature publishing: where intense thinking, change, and speculation take place in scholarship.
