Heirs to Forgotten Kingdoms: Journeys Into the ...

In *Heirs to Forgotten Kingdoms*, former diplomat Gerard Russell ventures to the distant, nearly impassable regions where these mysterious religions still cling to survival. He lives alongside the Mandaean and Ezidis of Iraq, the Zoroastrians of Iran, the Copts of Egypt, and others. He learns their histories, participates in their rituals, and comes to understand the threats to their communities.

The story continues in *The Forgotten Kingdom*, the second book in the epic *Lost Queen* trilogy, already hailed as “Outlander meets Camelot” (Kirsty Logan, author of *Things We Say in the Dark*) and “*The Mists of Avalon* for a new generation” (Linnea Hartsuyker, author

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing of The Golden Wolf). AD 573.

Imprisoned in her chamber, Languoreth awaits news in torment. Her husband and son have ridden off to wage war against her brother, Lailoken. She doesn't yet know that her young daughter, Angharad, who was training with Lailoken to become a Wisdom Keeper, has been lost in the chaos. As one of the bloodiest battles of early medieval Scottish history scatters its survivors to the wind, Lailoken and his men must flee to exile in the mountains of the Lowlands, while nine-year-old Angharad must summon all Lailoken has taught her and follow her own destiny through the mysterious,

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

In the aftermath of the battle, old political alliances unravel, opening the way for the ambitious adherents of the new religion: Christianity. Lailoken is half-mad with battle sickness, and Languoreth must hide her allegiance to the Old Way to survive her marriage to the next Christian king of Strathclyde. Worst yet, the new King of the Angles is bent on expanding his kingdom at any cost. Now the exiled Lailoken, with the help of a young warrior named Artur, may be the only man who can bring the Christians and the pagans together to defeat the encroaching Angles.

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

But to do so, he must claim the role that will forever transform him. He must become the man known to history as “Myrddin.” Bitter rivalries are ignited, lost loves are found, new loves are born, and old enemies come face-to-face with their reckoning in this compellingly fresh look at one of the most enduring legends of all time.

In the spring of A.D. 587, John Moschos and
Page 26/34

his pupil Sophronius the Sophist embarked on a remarkable expedition across the entire Byzantine world, traveling from the shores of Bosphorus to the sand dunes of Egypt. Using Moschos's writings as his guide and inspiration, the acclaimed travel writer William Dalrymple retraces the footsteps of these two monks, providing along the way a moving elegy to the slowly dying civilization of Eastern Christianity and to the people who are struggling to keep its flame alive. The result is Dalrymple's unsurpassed masterpiece: a beautifully written travelogue, at once rich and scholarly,

File Type PDF Heirs To Forgotten

Kingdoms Journeys Into The Disappearing

Religions Of The Middle East moving and courageous, overflowing with vivid characters and hugely topical insights into the history, spirituality and the fractured politics of the Middle East.

You may wonder why the Middle East gets so much airtime. Regions of the world were competing to host the apocalypse and the Middle East won. I disagreed with the idea that reality has become too strange to satirise. Then I read that bin Laden was radicalised by Shakespeare. Meanwhile, Iraq seems to be invading itself for the oil. Bringing together the wildly wry observations

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

and sketches of online sensation Karl reMarks, this hilarious collection proudly presents views you're guaranteed not to hear on the news.

Insightful travel writing, riveting narrative history, and clever scholarly discoveries make this a remarkably rich and varied book. Tim Severin has once again demonstrated a superb ability to bring together literature and adventure in an engrossing narrative.

Almost fifty years after Britain and France left the Middle East, the toxic legacies of

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

their rule continue to fester. To make sense of today's conflicts and crises, we need to grasp how Western imperialism shaped the region and its destiny in the half-century between 1917 and 1967. Roger Hardy unearths an imperial history stretching from North Africa to southern Arabia that sowed the seeds of future conflict and poisoned relations between the Middle East and the West. Drawing on a rich cast of eye-witnesses – ranging from nationalists and colonial administrators to soldiers, spies, and courtesans – *The Poisoned Well* brings to life the making of the modern Middle East,

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

highlighting the great dramas of decolonisation such as the end of the Palestine mandate, the Suez crisis, the Algerian war of independence, and the retreat from Aden. Concise and beautifully written, *The Poisoned Well* offers a thought-provoking and insightful story of the colonial legacy in the Middle East.

A leader in the fields of animal ethics and neurology, Dr. Aysha Akhtar examines the rich human-animal connection and how interspecies empathy enriches our well-being. Deftly combining medicine, social history and

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

personal experience, *Our Symphony with Animals* is the first book by a physician to show that humans and animals have a shared destiny—our well-being is deeply entwined. Dr. Akhtar reveals how empathy for animals is the next step in our species' moral evolution and a vital component of human health. When we include animals in our circle of empathy, we not only liberate animals, we also liberate ourselves. Drawing on the accounts of a varied cast of characters—a former mobster, a pediatrician, an industrial chicken farmer, a serial killer, and a deer hunter—to reveal what happens when we both

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East

break and forge bonds with animals.

Interwoven is Dr. Akhtar's own story, an immigrant who was bullied in school and abused by her uncle. Feeling abandoned by humanity, it was only when she met Sylvester, a dog who had also been abused, that she find the strength to sound the alarm for them both. Humans are neurologically designed to empathize with animals. Violence against animals goes against our nature. In equal measure, the love we give to animals biologically reverberates back to us. Our Symphony with Animals is the definitive account for why our relationships with

File Type PDF Heirs To Forgotten Kingdoms Journeys Into The Disappearing Religions Of The Middle East animals matter.
