My heart breaks to think that I do not have to wait until the year 2100 to write my memories of Johnny Carson. At a few minutes after seven o'clock on the morning of January 23, 2005, the telephone rang in my Beverly Hills house. My wife, Pam, answered it and her hand fell to her heart.

Memories Lyrics: Could you stop playing with my mind? / You know I'm not that kind / To leave it all behind / But all I wanted was you / You made love blind to see / 'Cause you could never be

Here's Johnny is like sitting with Ed and Johnny over lunch: The last time I saw Johnny, about a year before he died, we had chicken, a couple of glasses of red wine, and then we just sat there and reminisced, going back and forth the way we did on the show. We talked about our kids, and our careers and the state of America, just two lucky guys who loved each other and the good luck of our careers. Ed McMahon is the only person who was with Johnny Carson, even before The Tonight Show, when they both first appeared on Who Do You Trust. Now, with Johnny's blessing before he died, McMahon can finally share all the stories that only he knows. From the sofa at Johnny's right, to backstage, to their personal relationship - McMahon will provide a real view of the man who was so careful to only show one side of himself to the public. Brilliant in front of the camera, but shy in person, Carson seldom gave interviews. Only McMahon can tell the stories and provide the insights into the personality that made Johnny Carson more of a friend we invited into our home than a television star. This entertaining tribute will feature over 200 pictures, many never before published, from both McMahon's and Carson's private archives.

wife and the mother of his four daughters. It is a tale of long-kept secrets, lies revealed, betrayal and, at last, the truth. Johnny and Vivian were married for nearly fourteen years. These years spanned Johnny's military service in Germany, his earliest musical inclinations, their struggling newlywed years, Johnny's first record deal with Sun Records (alongside Elvis Presley), his astounding rise to stardom, and his well-known battles with pills and the law. Vivian decided that, near the end of her life and with backing from Johnny, she should tell the whole story, even the parts at odds with the iconic Cash family image such as Johnny's drug problems; Vivian's confrontation with June Carter about her affair with Johnny and, most sensationally, the Cash family secret of June's lifelong addiction to drugs and the events leading up to her death. Also revealed are unpublished love letters between the couple, family photographs and artefacts. *I Walked the Line* is a powerful memoir of joy and happiness, injustice and triumph and is an essential read for all Cash fans.

Interesting reflections on the life of America's most famous 'second banana', Gives considerable insight into what made Ed McMahon tick.

The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. *Johnny Got His Gun* is an undisputed classic of antiwar literature that's as timely as ever. ?A terrifying book, of an extraordinary emotional intensity.?-The Washington
