Totalitarian, Authoritarian, Democracy. Totalitarian government. Absolute and central power over most aspects of life. Authoritarian government. Usually one dominant political party. Government holds all power, people have little or no political power. Democratic. People hold power (In theory).

Political Science 120 Flashcards | Quizlet

The early development of political science was also influenced by law. The French political philosopher Jean Bodin (1530–96) articulated a theory of sovereignty that viewed the state as the ultimate source of law in a given territory. Bodin 's work, which was undertaken as the modern state was first developing, provided a justification of the legitimacy of national governments, one fiercely defended to this day.
