A Spanish language program that takes student on a trip through the Spanish-speaking world

Communication-based Spanish language text builds on a foundation of grammar and vocabulary. Secondary level.

Never lose another Flash Card again! Great Spanish vocabulary practice! Practice identifying numbers, colors, common objects, and commands used everyday. Look at the Spanish word on one side, then flip the page to see the word in English. Includes 78 Spanish terms and English translations. Meets state standards for Spanish Language Arts and English as a second language. Children will develop proficiency in speaking, reading, and print awareness. The spiral format ensures that you will never loose another flash card again! Children will find these cards easy-to-use with their large text and images and the self-checking ability. Our best-selling Flip-Flash(tm) series helps children in grades K to 5 learn and reinforce basic skills in key subject areas. Children can build skills in Phonics, Vocabulary, Math, States & Capitals, Spanish, and even Sign Language. Based on National Standards these cards can be used individually or with small or large groups. Build your flash card library today and never loose a card with our Flip-Flash(tm) series.

Do you know what the hardest thing for a Spanish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Spanish tongue. How Spanish Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Spanish language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow: a synopsis in Spanish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Spanish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! Pick up your copy of Spanish Short Stories for Beginners and start learning Spanish right now!

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
