How extraordinary that the Johnson Government, while in serious money trouble, chooses to spend billions on a vaccine against a disease which in many cases has no symptoms at all. Yet this peculiar decision is a mere ripple on the surface of a much deeper problem. Britain in 2020 has many economic difficulties, but good credit. The lenders and investors of the world believe the UK is run by ...

David Icke – News

A few months before her death in 1989, Davis was one of several actors featured on the cover of Life magazine. In a film retrospective that celebrated the films and stars of 1939, Life concluded that Davis was the most significant actress of her era, and highlighted Dark Victory (1939) as one of the more important films of the year.

'Athletes shouldn't be used as an excuse': Hontiveros reiterates need for probe of SEA Games loan. ABS-CBN News Nov 16 08:07 PM. Senator Risa Hontiveros stressed the need to investigate the "possible irregularities" regarding the construction of the sports facilities used in the 2019 SEA Games.

Challenging assumptions about the separation of high politics and everyday life, Belinda Davis uncovers the important influence of the broad civilian populace--particularly poorer women--on German domestic and even military policy during World War I. As Britain's wartime blockade of goods to Central Europe increasingly squeezed the German food supply, public protests led by "women of little means" broke out in the streets of Berlin and other German cities. These "street scenes" riveted public attention and drew urban populations together across class lines to make formidable, apparently unified demands on the German state. Imperial authorities responded in unprecedented fashion in the interests of beleaguered consumers, interceding actively in food distribution and production. But officials' actions were far more effective in legitimating popular demands than in defending the state's right to rule. In the end, says Davis, this dynamic fundamentally reformulated relations between state and society and contributed to the state's downfall in 1918. Shedding new light on the Wilhelmine government, German subjects' role as political actors, and the influence of the war on the home front on the Weimar state and society, *Home Fires Burning* helps rewrite the political history of World War I Germany.

L.J. Davis's 1971 novel, *A Meaningful Life*, is a blistering black comedy about the American quest for redemption through real estate and a gritty picture of New York City in collapse. Just out of college, Lowell Lake, the Western-born hero of Davis's novel, heads to New York, where he plans to make it big as a writer. Instead he finds a job as a technical editor, at which he toils away while passion leaks out of his marriage to a nice Jewish girl. Then Lowell discovers a beautiful crumbling mansion in a crime-ridden section of Brooklyn, and against all advice, not to mention his wife's will, sinks his every penny into buying it. He quits his job, moves in, and spends day and night on demolition and construction. At last he has a mission: he will dig up the lost history of his house; he will restore it to its past grandeur. He will make good on everything that's gone wrong with his life, and he will even murder to do it. From the Trade Paperback edition.

As seen on the Today Show: This true story of an unforgettable mother, her devoted daughter, and their life in the Detroit numbers of the 1960s and 1970s highlights "the outstanding humanity of black America" (James McBride). In 1958, the very same year that an unknown songwriter named Berry Gordy borrowed \$800 to found Motown Records, a pretty young mother from Nashville, Tennessee, borrowed \$100 from her brother to run a numbers racket out of her home. That woman was Fannie Davis, Bridgett M. Davis's mother. Part bookie, part banker, mother, wife, and granddaughter of slaves, Fannie ran her numbers business for thirty-four years, doing what it took to survive in a legitimate business that just happened to be illegal. She created a loving, joyful home, sent her children to the best schools, bought them the best clothes, mothered them to the highest standard, and when the tragedy of urban life struck, soldiered on with her stated belief: "Dying is easy. Living takes guts." A daughter's moving homage to an extraordinary parent, *The World According to Fannie Davis* is also the suspenseful, unforgettable story about the lengths to which a mother will go to "make a way out of no way" and provide a prosperous life for her family -- and how those sacrifices resonate over time.

Of *Human Bondage*, *Jezebel*, *All About Eve*, *Whatever Happened to Baby Jane?* Just this short list of Bette Davis' films gives an unmistakable sense of the role she played in twentieth-century cinema as one of the finest performers in Hollywood history. Drawing on an extensive series of conversations that took place during the last decade of Bette Davis' life, this biography draws heavily on the actresses own words. Looking back over the decades, from her teenage decision to become an actress to the pain and outrage over her daughter's

bitter portrayal of her, Davis speaks with extraordinary candour. She explains how her father's abandonment of her a child reverberated through her four marriages, and discusses the persistent Hollywood legend that she was difficult to work with. Immersing readers in the drama and glamour of movie-making's golden age, *The Girl Who Walked Home Alone* is a startling portrait of an enduring icon.

Presents a narrative exploration of the health-care crisis in inner-city communities as drawn from the author's experiences as an emergency room resident in the Newark community where he grew up, in an account that illuminates the complicated human realities behind the statistics.

Here at last is the stress-reducing coloring book that lets adults of all ages color their way through the funny and true annoyances of everyday life. From trying to assemble flat pack furniture to clearing an office paper jam, juggling remote controls, dropping contact lenses on the bathroom floor, and nudging the cat who absolutely won't let you read your book, the dozens of witty and sympathetically amusing illustrations offer real therapy and poke gentle fun at the meditative coloring craze.

A compelling portrait of a legendary Hollywood star captures the colorful, iconoclastic world of an intelligent, opinionated, and unusual woman who became one of film's most important talents, drawing on interviews, archival research, and a fresh study of her films to reveal Davis's complex personal life and her unique cinematic accomplishments. Reprint. 30,000 first printing.

For ten years Kathryn Sermak was at Bette Davis's side--first as an employee, and then as her closest friend--and in *Miss D and Me* she tells the story of the great star's harrowing but inspiring final years, a story fans have been waiting decades to hear. *Miss D and Me* is a story of two powerful women, one at the end of her life and the other at the beginning. As Bette Davis aged she was looking for an assistant, but she found something more than that in Kathryn: a loyal and loving buddy, a co-conspirator in her jokes and schemes, and a competent assistant whom she trained never to miss a detail. But Miss D had strict rules for Kathryn about everything from how to eat a salad to how to wear her hair...even the spelling of Kathryn's name was changed (adding the "y") per Miss D's request. Throughout their time together, the two grew incredibly close, and Kathryn had a front-row seat to the larger-than-life Davis's career renaissance in her later years, as well as to the humiliating public betrayal that nearly killed Miss D. The frame of this story is a four-day road trip Kathryn and Davis took from Biarritz to Paris, during which they disentangled their ferocious dependency. *Miss D and Me* is a window into the world of the unique and formidable Bette Davis, told by the person who perhaps knew her best of all.

A collection of speeches and writings by political activist Angela Davis which address the political and social changes of the past decade as they are concerned with the struggle for racial, sexual, and economic equality.
