The fourteen essential conversations to have with your teen and early teenager to prepare them for the emotional, physical, and social challenges ahead, including scripts and advice to keep the communication going and stay connected during this critical developmental window. "This book is a gift to parents and teenagers alike."--Lisa Damour, PhD, author of *Untangled* and *Under Pressure* Trying to convince a middle schooler to listen to you can be exasperating. Indeed, it can feel like the best option is not to talk! But keeping kids safe-and prepared for all the times when you can't be the angel on their shoulder-is about having the right conversations at the right time. From a brain growth and emotional readiness perspective, there is no better time for this than their tween years, right up to when they enter high school. Distilling Michelle Icard's decades of experience working with families, *Fourteen Talks by Age Fourteen* focuses on big, thorny topics such as friendship, sexuality, impulsivity, and technology, as well as unexpected conversations about creativity, hygiene, money, privilege, and contributing to the family. Icard outlines a simple, memorable, and family-tested formula for the best approach to these essential talks, the BRIEF Model: Begin peacefully. Relate to your child. Interview to collect information. Echo what you're hearing, and give feedback. With wit and compassion, she also helps you get over the most common hurdles in talking to tweens, including: • What phrases invite connection and which irritate kids or scare them off • The best places, times, and situations in which to initiate talks • How to keep kids interested, open, and engaged in conversation • How to exit these chats in a way that keeps kids wanting more Like a Rosetta Stone for your teen's confounding language, *Fourteen Talks by Age Fourteen* is an essential communication guide to helping your child through the emotional, physical, and social challenges ahead and, ultimately, toward teenage success.

Oh to be able to return to the days of messy bedrooms and preteen attitudes! Now as parents of teenagers, the days have the potential of bringing us not-so-fun issues like sexting, cyber-bullying, and eating disorders. And let's not forget the old standbys of drugs, alcohol, and depression. As much as you pray that your child will be the shining exception, as their parent you must still be prepared! Will you know what to do when a naked picture of your daughter gets forwarded by her "boyfriend" to the entire school? How will you respond when your child is bullied online--or is the bully himself?A Survival Guide to Parenting

Teens has thought through all the issues you haven't. Covering a broad range of issues from the terrifying (sex, drinking, drugs, depression) to the frustrating (defiance, laziness, conformity, entitlement), parenting expert Joani Geltman approaches 80 uncomfortable topics with honesty and a dash of humor. She reveals what your teens are thinking and feeling--and what developmental factors are involved. Then she explains how to approach each problem in a way that lets your kid know you "get it" and leads to truly productive conversations.Guaranteed, the teenage years will bring problems that will make any parent long for the days of lying about homework and playing too many video games. But you're not alone! This invaluable, all-encompassing resource provides the help you will need for tomorrow's headache.

Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil--not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of *Positive Discipline for Teenagers* shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll: -Find out how to encourage your teen and yourself -Grow to understand how your teen still needs you, but in different ways -Learn how to get to know who your teen really is -Discover how to develop sound judgment without being judgmental -Learn how to use follow-through-the only surefire way to get chores done Over the years, millions of parents have come to trust the classic *Positive Discipline* series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million *Positive Discipline* books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." -H. Stephen Glenn, Ph.D., coauthor of *Raising Self-Reliant Children in a Self-Indulgent World*.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Organized by topic--such as academics, anxiety and mental health, college life--it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Filled with candid talk from teens, this collection of real-life stories covers a host of taboo topics including sex, drugs, and drinking. Original. 50,000 first printing.

#1 Best Seller in Teen Health & Hyperactivity - A Guidebook for Parents Navigating the New Teen Years Learn about the "New Teen" and how to adjust your parenting approach. Kids are growing up with nearly unlimited access to social media and the internet, and unprecedented academic, social, and familial stressors. Starting as early as eight years old, children are exposed to information, thought, and emotion that they are developmentally unprepared to process. As a result, saving the typical "teen parenting" strategies for thirteen-year-olds is now years too late. Urgent advice for parents of teens. Dr. John Duffy's parenting book is a new and necessary guide that addresses this hidden phenomenon of the changing teenage brain. Dr. Duffy, a nationally recognized expert in parenting for nearly twenty-five years, offers this book as a guide for parents raising children who are growing up quickly and dealing with unresolved adolescent issues that can lead to anxiety and depression. Unprecedented psychological suffering among our young and why it is occurring. A shift has taken place in how and when children develop. Because of the exposure they face, kids are emotionally overwhelmed at a young age, often continuing to search for a sense of self well into their twenties. Paradoxically, Dr. Duffy recognizes the good that comes with these challenges, such as the sense of justice instilled in teenagers starting at a young age. Readers of this book will: Sort through the overwhelming circumstances of today's teens and better understand the changing landscape of adolescence Come away with a revised, conscious parenting plan more suited to addressing the current needs of the New Teen Discover the joy in parenting again by reclaiming the role of your teen's ally, guide, and consultant If you enjoyed parenting books such as *The Yes Brain*, *How to Raise an Adult*, *The Deepest Well*, and *The Conscious Parent*; then *Parenting the New Teen* in the Age of Anxiety should be next on your list!
