New research says you can take the edge off the fight by hugging it out. The study, published last fall in PLOS One, says that a simple hug can help reduce negative feelings about conflict even into the next day, compared to not hugging after a conflict.

A fresh, funny take on sibling rivalry and conflict resolution, as two sparring siblings are forced to "hug it out." Mom has had enough of Woody and Annie's incessant fighting. When her pleas for sharing and apologizing are ignored, she demands they "hug it out." At first, the warring siblings are confused. Hugging? But after a long afternoon of forced embraces, the brother and sister decide to call a truce to avoid yet another icky hug. However it doesn't take long for them to miss that newfound closeness. And soon they're looking for something to fight about so they can hug it out once more! Adults will delight in a new solution to conflict, while kids will enjoy yelling "HUG IT OUT!" at each familiar situation. With subversive humor and smart, eye-catching illustrations, Louis Thomas's debut is a cheeky tribute to sibling rivalry and (cuddly) compromise.

Crocheted with love, a warm wrap or a plump teddy bear can be just the "hug" someone needs, says designer Drew Emborsky, The Crochet Dude. After losing his mother, he says, "The motion of stitching and working with yarn was the therapy I needed to find comfort as I grieved. Truly it is that if you want to find comfort, comfort someone else. Now I am so happy to have created a book of patterns with the intention of giving you the opportunity to help others in their time of need. Receiving a handmade gift from you can change someone's outlook completely." Drew's nine designs include Mobius Cowl, Chemo Cap, Baby Comfort Blanket, Kennel Blanket, Baby Hat, Comfortghan, Prayer Shawl, Comfort Teddy, and Drawstring Bag. The book includes a contact list of national groups that distribute crocheted donations.

Riordan Darcy has spent the last fourteen years building a name for himself as a notorious assassin. He travels the world taking the lives of some of the worst humanity has to offer, leaving his signature on every victim. Riordan becomes unhappy and withdrawn from the world after a job goes horribly wrong and he makes the decision to get out of the life he was forced into, so long ago. When his meddling, older sister gives him a birthday gift that's impossible to refuse, his plans to leave his life of crime take a backseat when he's forced to protect the life of a veritable stranger. When professional hugger and TLC provider, Teddy Harris, is offered a month-long companionship contract, he's hard pressed to turn it down. Cuddler by day and a video game reviewer by night, Teddy's need to make people feel loved and cared for is what drives him. When he meets Riordan Darcy, professional challenge and personal temptation collide, making it nearly impossible for him to endure a whole month with the gorgeous, enigmatic man without falling head over heels in love. When a mole is discovered within Riordan's organization, relationships are compromised, and people's lives are in danger. Time isn't on their side, and they discover answers can't always be found by hugging it out when someone is hell-bent on eliminating each and every one of them. Can Riordan and Teddy survive long enough to fall in love, or will they die trying?

From the team behind the bestselling *The Hug*, a heart-warming picture book that shows us ways to be affectionate while social distancing. Hedgehog and Tortoise were the best of friends. They wanted to give each other a great, big hug. But they weren't allowed to touch. "Don't worry," said Owl. "There are lots of ways to show someone you love them." So the two friends wave to each other, blow kisses, sing songs, dance around and write letters. And even though they can't hug and they can't touch, they both know that they are loved. A gorgeous, uplifting, inspiring picture book that makes social distancing fun!
