used to say. I love
you and I miss you.
It's how you pretend
to love me then.

When you wandered
off the things we've
done before. Now it's
too late to turn back
anymore. I used to
say I love you. I used
to say I miss you.

Read Book I Need You More Than I Love You

More than is a phrasal preposition. It can be used as a substitute for over. More then is either a misspelling or a clue that you need to revise your sentence. You can remember to always choose more than since it is spelled with an A, like the word “appropriate.”
