Geography takes advantage of its position to examine relevant concepts and ideas from a wide variety of disciplines. This helps students develop an appreciation of, and a respect for, alternative approaches, viewpoints and ideas. The geography course embodies global and international awareness in several distinct ways.

For IB Geography, there are lots of topics to master, so you can't fall behind. Common mistakes students make are: #1: Trying to avoid the material you didn't learn in class. If you didn't understand it in class, you need to find more help whether through this article or tutoring. #2: Only studying a week or two before the IB Geography papers.

Hey there! I am currently a first year college student who completed their IB diploma in 2019. I took Geography at a higher level and obtained a level 7! I was a part of the first batch of students to complete the new IB Geography syllabus. I struggled with finding online resources for the new syllabus and so I decided to create a website with various resources and tips that would help ...

### ~~Geography—The IB Bookshop~~

IB Geography students must meet 4 assessment objectives (“AO”) detailed using a list of command terms. Students should be familiar with the following key terms and phrases used in examination questions, which are listed on the diagram to the left, and are understood as described in the IB Geography Guide (see list below). Although these terms will be used frequently in examination questions, other terms may be used to direct students to present an argument in a specific way:

A resource to help users develop skills to become an inquiring learner, ensuring they can navigate the MYP framework with confidence using a concept-driven and assessment-focused approach to Geography, presented in global contexts.

Two new coursebooks for the Geography for the IB Diploma syllabus. This lively coursebook covers the four compulsory topics of the Core theme, Patterns and Change, in the Geography syllabus for the International Baccalaureate (IB) Diploma Programme. It is written in clear, accessible English by a highly experienced author and former head of Geography at a major IB school in the UK. The coursebook contains: key questions outlining the issues for each topic; case studies selected from every continent; activities and geographical skills guidance; discussion points and research ideas; integrated Theory of Knowledge links; examination-style questions; definitions of key terms and useful web links.

This Study Guide supports the new syllabus for 2009 and includes all options. Written by two Senior IB examiners, it contains all the information required for the course, presented in a concise, accessible format. The book exactly matches the structure of the new course and includes material for both Standard and Higher level. The entirely new topic, globalization, global interactions is given extra emphasis. Questions and full mark schemes are provided along with advice on internal and external assessment. The Study Guide may be used by teachers or to support the students' learning outside the classroom. It is also suitable for students and teachers whose first language is not English. New edition available now - ISBN 978-0-19-838915-6
