But recently the true meaning behind the statement, "If it hurts, it isn't love" hit me. It's not love that hurts. Love in and of itself does not hurt. It can't. It's something else that hurts. Kiara is a dynamic, thirty-something girl who has reached great heights professionally, and is the apple of the eye for almost everyone who knows her. But she never took any short cuts to become happier, wiser, healthier and more compassionate. She had to find rays of hope where the dark tunnel seemed unending, and identify shade in life's burning path. She found little pearls of wisdom in chasing her dreams, in spreading laughter, in learning from scriptures and philosophers, and even at one point in almost ending her life. More than Kiara's story and the wisdom she achieves through the various dramatic and hilarious experiences, this book is a motion picture with you in the lead role. You as the 'hero' who can beat the most stubborn of villains — most of which lie deep within us...our fear, unkindness, selfish interests, negative thoughts and jealousy. You as the 'heroine' who is sharp and witty in talking, selfless and caring in love, and charming and beautiful inside out, like none other (perhaps a 2.0 version of you). Walk with Kiara to find a better you, because It Doesn't Hurt to be Nice.

New York Times bestselling author Lysa TerKeurst unveils her heart amid shattering circumstances and shows readers how to live assured when life doesn't turn out like they expected. What do you do when God's timing seems questionable, His lack of intervention hurtful, and His promises doubtful? Life often looks so very different than we hoped or expected. Some events may simply catch us off guard for a moment, but others shatter us completely. We feel disappointed and disillusioned, and we quietly start to wonder about the reality of God's goodness. Lysa TerKeurst understands this deeply. But she's also discovered that our disappointments can be the divine appointments our souls need to radically encounter God. In It's Not Supposed to Be This Way, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to: Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations. Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes. Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle. Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us. Know how to encourage a friend and help her navigate hard realities with real help from God's truth.

On the northeast side of town, there is a house. The house was once magical, filled with love and joy and plans for the future. Inside its walls are many things that belong to me - my books, the china from my mother on my wedding day, the beautiful cage once home to two birds, now empty, just like me. And a man. A man who also belongs to me. A man I no longer wish to keep. A man who, no doubt, has not slept, though the sun is rising. Because the house where he waits is where I laid my head to rest every night for eight years. Until last night. No one who knows me would believe Charlie Pierce, the quiet, bookish girl who never made waves is pulling out of the driveway of a man who isn't her husband. But they don't know me at all. I don't even know me. Not anymore. They say there are two sides to every story, and I suppose in most cases, that's true. But the one I live inside of? It has three. On the northeast side of town, there is a house. But there is no longer a home.
