Get your "A" in gear! They're today's most popular study guides--with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes™ has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes™ motto is Smarter, Better, Faster because: • They feature the most current ideas and themes, written by experts. • They're easier to understand, because the same people who use them have also written them. • The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered--context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources--you don't have to go anywhere else!

Unlock the more straightforward side of Inferno with this concise and insightful summary and analysis! This engaging summary presents an analysis of Inferno by Dante Alighieri, a classic of Italian and global literature, in which the poet explores the nine Circles of Hell with Virgil as guide, in order to learn how to save his soul. This work has inspired many artists throughout the ages who have created sculptures, architecture, films and animations based around his interpretation of Hell. Dante's work is considered a masterpiece of world literature and he is often called the "Father of the Italian language". Find out everything you need to know about Inferno in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you in your reading journey. The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

Belonging in the immortal company of the works of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a visionary journey that takes readers through the torment of Hell. The first part of Dante's Divine Comedy is many things: a moving human drama, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest against the ways in which men have thwarted the divine plan. One of the few literary works that has enjoyed a fame both immediate and enduring, The Inferno remains powerful after seven centuries. It confronts the most universal values--good and evil, free will and predestination--while remaining intensely personal and ferociously political. for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times. Translated by John Ciardi With an Introduction by Archibald T. MacAllister and an Afterword by Edward M. Cifelli

Taking a literary journey through hell certainly sounds intriguing enough--and it is! If you can understand it! If you don't understand it, then you are not alone. If you have struggled in the past reading the ancient classic, then BookCaps can help you out. This book is a modern translation with a fresh spin. The original text is also presented in the book, along with a comparable version of the modern text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month. Visit BookCaps.com to find out more.

The Paradise, which Dante called the sublime canticle, is perhaps the most ambitious book of The Divine Comedy. In this climactic segment, Dante's pilgrim reaches Paradise and encounters the Divine Will. The poet's mystical interpretation of the religious life is a complex and exquisite conclusion to his magnificent trilogy. Mark Musa's powerful and sensitive translation preserves the intricacy of the work while rendering it in clear, rhythmic English. His extensive notes and introductions to each canto make accessible to all readers the diverse and often abstruse ingredients of Dante's unparalleled vision of the Absolute: elements of Ptolemaic astronomy, medieval astrology and science, theological dogma, and the poet's own personal experiences.

DANTE/INFERNO VOL 1 (BC)
NEW YORK TIMES BESTSELLER • Before The Dante Chamber, there was The Dante Club: “an ingenious thriller that . . . brings Dante Alighieri’s Inferno to vivid, even unsettling life.”—The Boston Globe “With intricate plots, classical themes, and erudite characters . . . what’s not to love?”—Dan Brown, author of The Da Vinci Code and Origin Boston, 1865. The literary geniuses of the Dante Club—poets and Harvard professors Henry Wadsworth Longfellow, Dr. Oliver Wendell Holmes, and James Russell Lowell, along with publisher J. T. Fields—are finishing America’s first translation of The Divine Comedy. The powerful Boston Brahmins at Harvard College are fighting to keep Dante in obscurity, believing the infiltration of foreign superstitions to be as corrupting as the immigrants arriving at Boston Harbor. But as the members of the Dante Club fight to keep a sacred literary cause alive, their plans fall apart when a series of murders erupts through Boston and Cambridge. Only this small group of scholars realizes that the gruesome killings are modeled on the descriptions of Hell’s punishments from Dante’s Inferno. With the lives of the Boston elite and Dante’s literary future in the New World at stake, the members of the Dante Club must find the killer before the authorities discover their secret. Praise for The Dante Club “Ingenious . . . [Matthew Pearl] keeps this mystery sparkling with erudition.”—Janet Maslin, The New York Times “Not just a page-turner but a beguiling look at the U.S. in an era when elites shaped the course of learning and publishing. With this story of the Dante Club’s own descent into hell, Mr. Pearl’s book will delight the Dante novice and expert alike.”—The Wall Street Journal “[Pearl] ably meshes the . . . literary analysis with a suspenseful plot and in the process humanizes the historical figures. . . . A divine mystery.”—People (Page-turner of the Week) “An erudite and entertaining account of Dante’s violent entrance into the American canon.”—Los Angeles Times “A hell of a first novel . . . The Dante Club delivers in spades. . . . Pearl has crafted a work that maintains interest and drips with nineteenth-century atmospherics.”—San Francisco Chronicle

Loosely following Dante's epic by fashioning her own riveting account into three distinct parts, Eileen Myles brings her unparalleled brand of raw intellect and insight to her latest novel, The Inferno. The first part of the story, mesmerizing readers with its ripple of memoir, tells the saga (or hell) of a poet girl. The second, on the surface, provides instruction on how to write a poem--but it also pulls a clever bait-and-switch by informing readers how to become a lesbian as well. Myles's exposition of "lesbianity," in fact, includes six pages of female genitalia that rival anything Henry Miller ever produced. The third and final part of the book is a fictional proposal to a funding organization in which the author obliges the foundation's request to supply them with her career narrative, but instead of the tedious sanitized version, she offers a bluntly truthful one. Full of travel disasters, bad readings of wonderful poems, and death, this last section is Myles's Purgatorio--a litany chronicling the career of a poet and her writing life. Myles's rebellious spirit is fully present here as she injects her signature blurring of memoir and fiction, poem and essay, to reinforce her status as one of America's most groundbreaking writers. This eagerly anticipated follow-up to her landmark Cool for You will not disappoint fans of Myles or of modern literature itself.
