Following his H is for Home Run: A Baseball Alphabet, Brad Herzog once again steps to the plate to bring the game of baseball to fans of every age. Using numbers as its backdrop, Full Count: A Baseball Number Book goes behind the batter's box and into the dugout to explain game basics and showcase historic moments. Starting with the signal for a fastball (1), to the miles-per-hour speed on some of the fastest pitches ever thrown (100+), Full Count counts out the players, the plays, and pulse-stopping moments in America's favorite sport. Brad Herzog has won several awards from the Council for the Advancement and Support of Education. He has published more than two dozen books, including his sports alphabet books, H is for Home Run: A Baseball Alphabet and K is for Kick: A Soccer Alphabet. Brad lives on California's Monterey Peninsula. Following successful careers as a commercial illustrator and a wildlife artist, Bruce Langton started illustrating children's books. His books include P is for Putt: A Golf Alphabet and Win One for the Gipper: America's Football Hero. Bruce lives in Granger, Indiana.

From Ancient Greece to the Beijing Olympics, sport has delivered thrilling victories and gut-wrenching defeats, but moments of good sportsmanship are increasingly rare. Is chivalry dead? Or have rumours of its demise been exaggerated? Whether displayed by an Australian sculler or an Egyptian judoka, sportsmanship has come in many guises. It's Not the Winning that Counts celebrates the Boy's Own heroism of yachtsman Pete Goss's mercy dash across the Southern Ocean to rescue a capsized French rival; recalls the high ideals of the gentleman-amateurs of the Corinthian Football Club; salutes Freddie Flintoff, hero of the 2005 Ashes, commiserating with an opponent before celebrating with team-mates; and takes its hat off to Jack Nicklaus, conceding a two-foot putt on the final green of the 1969 Ryder Cup. At its best, sportsmanship has reverberated around the world - from German athlete Lutz Long publicly befriending the black American runner Jesse Owens at the 1936 Berlin Olympics to Russian chess player Boris Spassky conducting himself impeccably during his Cold War showdown with Bobby Fischer.

Everything Counts! is an execution strategy for inspiring excellence and driving exceptional results. Too many people and organizations are mired in a mediocrity of their own making. They focus their attention and efforts on getting the big things right, but they ignore the little things that often make a big difference. As a result, reputations are damaged, brands diluted, and loyalty is lost by blatant disregard for the small stuff which negatively impacts the customer experience. For years, we've been taught not to sweat the small stuff, but in the real world of business, Everything Counts. Everything Counts is a call to greater awareness and with awareness comes a responsibility to raise the performance bar. It offers a powerful operating philosophy that will steer your organization to reach higher levels of growth, productivity, and performance. From the smallest customer contact to the most minute details of product quality, the little things add up to a pretty big deal. Serving as the definitive guide on organizational and personal mastery, this book gives you a foundation for unparalleled customer service, superior quality, and consistent performance. A proven system for organizing, aligning, and improving all your efforts in sales, service, and performance improvement Shows how concentrating on the small things leads to growth, productivity, personal success, and business greatness Helps you motivate your people and teams to achieve better results on both the personal and organizational level Everything Counts reminds us that seemingly small
