Hidden in the mountains of East Tennessee, an eleven-year old goes about the business of being a boy during the summer of 1970. Within a balance of terror and innocence, he bears silent witness to ghosts of the dead and the cruelties of a teenage killer while local justice plays out in a community carved from legacies of coal mining and religion.

With his Viking ingenuity and a few helpful kittens, Stig overcomes his fear of the sea and woos the bold and beautiful Ingrid.

A collection of 300 multiple-choice questions which are divided into subject chapters corresponding with those in *General and Systematic Pathology*, a complementary text. However, full explanatory answers are supplied so that this book may be used with any pathology textbook. The questions take the form of a stem with five branches which must be marked true or false. This is the most commonly used system of questions in British medical schools and is usually scored as +1 for a correct response and zero for no response.
