IFRSs, the standards set by the International Accounting Standards Board (IASB), are complex and sometimes obscure. Understanding their implications and applying them appropriately requires something special; and that is why International GAAP® 2017 is the essential tool for anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting. It provides expert interpretation and practical guidance for busy professionals, and includes, in every chapter, detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The International Financial Reporting Group of Ernst & Young includes financial reporting specialists from throughout the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP® 2017 is the only globally focused work on IFRSs. It is not constrained by any individual country's legislation or financial reporting regulations, and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex, global world of international financial reporting, where IFRSs have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for regulators, academic researchers and for all students of accountancy. All aspects of the detailed requirements of IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP® 2017 deals with a key area of IFRS and has a common structure for ease of use: an introduction to the background issues; an explanation of relevant principles; a clear exposition of the requirements of IFRS; a discussion of the implications in practice and possible alternative solutions available; worked examples; extracts from real company accounts; a full listing of the required disclosures. [...] an important part to play in the process of promoting consistent, comparable and high quality financial reporting under IFRSs ... a book that not only provides an analysis of the requirements of the standards and the principles that they expound, but also presents a unique explanation of how the standards should be interpreted and applied in practice.[] - the Chairman of Trustees of the IASC Foundation []A standard reference work[] - Financial Times []The definitive guide to financial reporting[] - The Times

International GAAP is the leading and most comprehensive guide to interpreting and implementing IFRS. For accountants and auditors globally, it delivers guidance in addressing IFRS issues as they occur, in addition to being an invaluable resource when preparing interim and annual accounts. New for the 2012 Edition Updated annually to reflect the new IASB standards and interpretations, and to deliver the latest guidance on the application of IFRS, International GAAP 2012 has been fully revised in order to: Deal with all new and amended authoritative pronouncements, including the new standards on Consolidated Financial Statements (IFRS 10), Joint Arrangements (IFRS 11), Disclosure of Interests in Other Entities (IFRS 12) and Fair Value Measurement (IFRS 13) and revisions to standards including Financial Instruments (IFRS 9), Presentation of Financial Statements (IAS 1), Income Taxes (IAS 12), Employee Benefits (IAS 19), Separate Financial Statements (IAS 27) and Investments in Associates and Joint Ventures (IAS 28). Explain the many initiatives that are currently being pursued by the IASB and IFRS Interpretations Committee and that will lead to changes in accounting requirements. In particular, projects on Revenue Recognition, Leases, Financial Statement Presentation, Financial Instruments and Insurance Contracts may all significantly change current accounting practices. Provide insight and guidance on the interpretation and practical application of IFRS from a truly global perspective, based on the experience of the book's authors in dealing with recent day-to-day practical issues. Present the sections relating to Financial Instruments and Insurance Contracts in a separate volume for ease of access. The book will be published in three volumes with over 4,000 pages, consisting 53 chapters and numerous illustrative examples.

IFRSs, the standards set by the International Accounting Standards Board (IASB), are complex and sometimes obscure. Understanding their implications and applying them appropriately requires something special; and that is why International GAAP® 2015 is the essential tool for anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting. It provides expert interpretation and practical guidance for busy professionals, and includes, in every chapter, detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The International Financial Reporting Group of Ernst & Young includes financial reporting specialists from throughout the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP® 2015 is the only globally focused work on IFRSs. It is not constrained by any individual country's legislation or financial reporting regulations, and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex, global world of international financial reporting, where IFRSs have become the accepted financial reporting system in more than 100 countries. All aspects of the detailed requirements of IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP® 2015 deals with a key area of IFRS and has a common structure for ease of use: [] An introduction to the background issues [] An explanation of relevant principles [] A clear exposition of the requirements of IFRS [] A discussion of the implications in practice and possible alternative solutions available [] Worked examples [] Extracts from real company accounts [] A full listing of the required disclosures

International GAAP® 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS), setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EYs financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. The 2019 edition of International GAAP® has been fully revised and updated in order to: [] Continue to investigate the many implementation issues arising as entities adopt IFRS 9 (Financial Instruments) and IFRS 15 (Revenue from Contracts with Customers). [] Explore the complex implementation issues arising as entities adopt, in 2019, IFRS 16 (Leases). [] Include an updated chapter on the new insurance contracts standard IFRS 17 (Insurance Contracts), which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised, proposed narrow-scope amendments to IFRS 17 intended by the IASB, and also explores other matters arising as users prepare for the adoption of this standard. [] Include an amended chapter on the revised Conceptual Framework, which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event. [] Address amended standards and new interpretations issued since the preparation of the 2018 edition. [] Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements. [] Provide insight on the many issues relating to the practical application of IFRS, based on the extensive experience of the book's authors in dealing with current issues.

Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP 2016 is the only globally focused work on IFRSs. It is not constrained by any individual country's legislation or financial reporting regulations, and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex, global world of international financial reporting, where IFRSs have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for regulators, academic researchers and for all students of accountancy. All aspects of the detailed requirements of IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP 2016 deals with a key area of IFRS and has a common structure for ease of use: □ An introduction to the background issues □ An explanation of relevant principles □ A clear exposition of the requirements of IFRS □ A discussion of the implications in practice and possible alternative solutions available □ Worked examples □ Extracts from real company accounts □ A full listing of the required disclosures

The most practical, authoritative guide to GAAP Wiley GAAP 2017 contains complete coverage of the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC), the source of authoritative generally accepted accounting principles (GAAP). Wiley GAAP renders GAAP more understandable and accessible for research and has been designed to reduce the amount of time and effort needed to solve accounting research and implementation issues. The 2017 edition reflects the new FASB guidance on: Revenue Recognition Leases Business Combinations Pensions Financial Instruments And more than 17 other new FASB Accounting Standards Updates Providing interpretive guidance, analytical explanations, graphic tools, and more than 300 real-world, examples and illustrations, this invaluable guide offers clear, user-friendly guidance on every ASC Topic in the Codification. Offers insight into the application of complex financial reporting rules Contains a detailed index for easy reference use Includes comprehensive cross-referencing to the FASB codification system, making it efficient for you to perform in-depth research As a bonus, a comprehensive disclosure checklist offers practical guidance to preparing financial statements for commercial entities in accordance with GAAP. For easy reference and research, the checklist follows the order of the codification. With easy-to-access information, this reliable resource offers complete coverage of the FASB Codification.

The most comprehensive guide to FASB Codifications, updated with the latest pronouncements Wiley GAAP 2019 is the essential resource for US GAAP implementation. Covering all codifications by the Financial Accounting Standards Board (FASB) including the latest updates this book provides clear explanations and practical examples for real-world application of these dynamic guidelines. Each chapter includes relevant sources of GAAP and expert guidance on interpretation, terminology, relevant concepts, and applicable rules, while in-depth discussion on the issues surrounding specific pronouncements offers informative perspective for a variety of scenarios. This user-friendly reference covers every pronouncement currently in effect or being deliberated including FASB Technical Bulletins, FASB Implementation Guides, AcSEC Practice Bulletins, and AICPA Accounting Interpretations in a single volume, fully referenced to the FASB Current Text and cross-referenced to the new FASB codification system. Clear and concise without sacrificing depth or rigor, this invaluable resource simplifies research and helps CPAs and other accounting professionals ensure accuracy and compliance. Examine the latest changes to US GAAP standards and practices Gain expert perspectives on the issues surrounding specific pronouncements Learn how the standards translate to common real-world scenarios Clarify implementation through numerous illustrations and real-world examples Staying up-to-date with constantly-evolving guidelines is a challenge, but the requirement for accurate interpretation and appropriate application adds an additional layer of complexity in an area where noncompliance could expose an organization to significant risk. Wiley GAAP 2019 provides the guidance, insight, and perspective accounting professionals need to ensure accurate and up-to-date GAAP implementation.

The 2011 edition of International GAAP® is the leading and most comprehensive guide to interpreting and implementing IFRS International GAAP® 2011 has been fully revised and updated in order to: □ Deal with all new and amended authoritative pronouncements, including the new standard on Financial Instruments (IFRS 9) and the recent and significant revisions of IAS 1 (Presentation of Financial Statements), IAS 24 (Related Party Disclosures), IAS 27 (Consolidated and Separate Financial Statements), IFRS 3 (Business Combinations) and all changes that have been made through the Annual Improvements process. □ Explain the many current initiatives that are being pursued by the IASB that will lead to significant changes in accounting requirements; in particular projects on Consolidation, Revenue Recognition, Leases, Financial Statement presentation and Financial Instruments and Insurance Contracts may all significantly change current accounting practices. □ Provide insight and guidance on the interpretation and practical application of IFRS from a truly global perspective, based on the experience of the book's authors in dealing with recent day-to-day practical issues. Extensive interpretation and practical guidance helps resolve complex financial reporting problems Providing leading interpretation and practical guidance, every chapter contains detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. International GAAP® 2011 demonstrates how difficult practical issues should be approached in the new complex global world of international financial reporting, where IFRS has become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for regulators, academic researchers and for all students of accountancy. The International Financial Reporting Group of Ernst & Young includes financial reporting professionals from around the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP® 2011 is accompanied by numerous worked examples, a comprehensive discussion of the practical issues of the day and the possible alternative solutions available, and hundreds of practical illustrations taken from the actual financial statements of companies that report under IFRSs.
