~~International Human Resource Management~~

International human resource management (IHRM) is the process of procuring, allocating, and effectively utilizing human resources in a multinational corporation. If the MNC is simply

Online Library International Human Resource

Management
exporting its products, with only a few small offices in foreign locations, then the task of the international HR manager is relatively simple.

~~International Human Resource
Management: Meaning, Need ...~~

Online Library International Human Resource

Management
Actually, it is not easy to provide a precise definition of international human resource management (IHRM) because the responsibility of an HR manager in a multinational corporation (MNC) varies from one firm to another. Generally speaking, IHRM is the

Online Library International Human Resource

Management
effective utilization of human
resources in a corporation in an
international environment.
