Your history record is designed to provide you with a complete account of your current inventory levels when listing each inventory adjustment. A record of equipment is essential in all companies, since it allows them to control everything related to all the equipment they use for the day-to-day processes of the company.

Inventory Log Template: charlotte clergy coalition
A continuous general inventory is required to track acquisitions, current on-hand stocks, administration, transfers to usage logs, transfers to other registrants/licensees, and transfers of substances for disposal. A separate general inventory log should be created for each stock of drug and its associated strength or container size.
