Our Isuzu 42 is excellent, you should have no worries about the engine. I don't know where you are based but if you can get somewhere towards the bottom of the Llangollen then I thoroughly recommend getting Neil Coventry to have a look at it - his contact details are in the HMI manual on the ID blog.

Mine's an Isuzu 55, and it seems good to me, although I've never had a new engine before so nothing to compare it to. HMI who assemble the engines run free engine familiarisation courses for those having them installed which includes a tour of the place. www.isuzuengines.co.uk (01666-500843)

Isuzu 35 engine - Equipment - Canal World

Changing a part on your Isuzu D-Max is not as simple as just removing the old one and installing a new one, especially if the new one isn't an Isuzu Genuine Part. That's because the quality of a single part, no matter how small, has an impact on the overall performance of your vehicle - to the point where your engine or your chassis may not work to the same levels as when your vehicle ...
