Follow Wendy Ward ' s tutorials to make a collection of comfortable and stylish garments. Wendy ' s style is functional but beautiful basics, and you will learn the skills to make garments out of knitted fabrics that drape beautifully and are a joy to wear. There are t-shirts, wide-leg trousers, lounge trousers, tank tops, cardigans, skirts, and dresses made in versatile fabrics that can be dressed up or down. Both beginners and more experienced dressmakers often avoid using knitted fabrics, but Wendy will show you how to successfully sew them with just a regular sewing machine. You will learn essential skills with the help of a comprehensive techniques section that includes a guide to different types of knitted fabrics and their uses (including jersey, sweatshirt fabric, boiled wool, and many more), how to prepare them for making clothes, setting up your sewing machine, which needles you need, sewing seams and hems, and using elastic. There are also full-size patterns for every garment included at the back of the book, so you will have all the information you need to start making your own perfect wardrobe!

Let your quilting creativity soar with these magical machine techniques! Are you using your sewing machine to its fullest creative capacity? Do you know what each foot can do? Expand your repertoire with machine techniques, embellishment, surface design, and thread painting skill, thanks to your sewing machine. Nine highly qualified, experienced sewing machine educators have developed 13 delightful projects to show you how to make the most of your machine's technical possibilities. From pillows to bed scarves, from wallhangings to table runners, any quilt will benefit when its creator uses these techniques.
