This is the story of the sort of British imperialist in India who is seldom now remembered. Jim Corbett came of an undistinguished family who had lived in India for generations, and although British in his race, dress, speech and habits, simply was an Indian in his own country, as much as anyone of Indian descent can be British or American.

Jim Corbett is famous for his exploits as a hunter, but there was so much more to the man than tracking down man-eating tigers and leopards. In fact, 'Carpet Sahib' (as many Indians called him) was a conservationist at heart, with a deep love for jungles – its flora and fauna; and its inhabitants – the birds and the animals, and the people – who lived in the lush Kumaon hills. It is this side of Corbett that comes to the fore in *Jungle Lore*. Almost autobiographical in nature, *Jungle Lore* sees Corbett talk of his boyhood, the people he met, lessons he learnt in absorbing the jungle, his concern for the jungles and environment, and of course, there are doses of hunting expeditions too. There is even the odd story of detection and of supernatural sightings. *Jungle Lore* is the first book anyone should read on Jim Corbett. Simply because it is about Jim Corbett the man who went on to become a famous hunter.

Here, For The First Time, Three Classic Corbett Books Within The Covers Of One Hardback Voume, Jungle Lore; My India; Tree Tops.

Jim Corbett's classic stories of man-eaters have made him a legend in India. This colorfully-written collection contains classic tales about the human beings who lived in the poignant rural world of the Indian foothills. Corbett, here, displays great sympathy and concern for these people through his sharp observations of their village life, traditions, and culture. Engaging the reader with great force, these stories will serve as an indispensable supplement for anyone who has enjoyed Corbett's narrative gifts before.

Arguably the best-known of Jim Corbett's books, *Man-eaters of Kumaon* comprises ten stories, each of which details Corbett's encounters with various dangerous man-eaters in the Himalayan region. With fascinating tales such as 'The Champawat Man-eater', in which Corbett recounts how he hunted down a tigress who had reportedly killed 436 people in the Champawat region; 'Robin', a tribute to Corbett's faithful spaniel who accompanied him on many a hunt and 'The Bachelor of Powalgarh', the story of the most sought-after big cat in the United Provinces from 1920 to 1930, this collection is sure to send your heartbeat racing. Enlivened by an introduction by Ruskin Bond, this book, that made Corbett famous in India and abroad, is a must-read for fans of adventure stories and jungle lore.

These stories are the true account of Major Corbett's experiences with man-eating tigers in the jungles of the United Provinces.

'*Man-Eaters of Kumaon*' is the best known of Corbett's books, one which offers ten fascinating and spine-tingling tales of pursuing and shooting tigers in the Indian Himalayas during the early years of this 19th Century. The stories also offer first-hand information about the exotic flora, fauna, and village life in this obscure and treacherous region of India, making it as interesting a travelogue as it is a compelling look at a bygone era of hunting. No one understood the ways of the Indian jungle better than Corbett. A skilled tracker, he preferred to hunt alone and on foot, sometimes accompanied by his small dog Robin. Corbett derived intense happiness from observing wildlife and he was a fervent conservationist as well as a tracker. He empathised with the impoverished people amongst whom he lived, in what is today Uttarakhand, and he established India's first tiger sanctuary there. Corbett's writing is as immediate and accessible today as it was when first published in 1944.

Jim Corbett's tales of tiger hunts are legendary. Mostly alone, he would traverse the hills and jungles of India, hunting his quarry using blood trails, examining pug marks and following broken twigs and branches, often putting himself at risk. Later, he became a conservationist, taking up the cause of the endangered royal Bengal tiger. This comprehensive volume contains some of Jim Corbett's best-known books and short stories, from *The Man-eating Leopard of Rudraprayag*, a gripping tale of a notorious leopard, to the fascinating stories in *Man-eaters of Kumaon* and *The Temple Tiger*. Showcasing Corbett's acute awareness of jungle sights and sounds and enlivened by his descriptions of village life, this is a must-read for those interested in wildlife and tiger tales.

Pranav Kumar is: (a) An advertising executive (b) An aspiring writer (c) An anarchist (d) A

fugitive from the Mumbai Police (e) All of the above Pranav Kumar has had enough. He's sick and tired of being a corporate drone convincing people that their lives are meaningless without the newest product he's peddling. He hates that commercialism is the new mantra and people actually believe that you are what you own. Pranav Kumar wants to change the world. But how does one man make a whole country question the way we are when no one is interested in listening? Pranav and his friends decide to capture the eyeballs of the nation and shake up the system. Their methods are unorthodox; their message unique. They take over a TV station; expose an environmental scam; strike out at patrons of brothels; sabotage a glitzy fashion show; and paint-bomb a local train. But as the Anarchists of Mumbai ignite sparks of a much larger movement; they realize that doing good comes at a price; that the means are as important as the ends and that being hunted by the Mumbai police is perhaps better than being hunted by contract-killers. Bold; fresh and darkly comic; The Diary of an Unreasonable Man is an exceptional debut.
