Please share your writing and comment on someone else's practice today. We learn by writing and by reading.

How to Write a Journal: 6 Tips

Every blogger knows that you need to plan ahead for posts, holidays, and other events so they don't sneak up on you. The bullet journal is great for just this, because you can select how broad of a scope you want to plan with. Some people prefer to plan week by week, or in biweekly increments. Personally, I like planning in month-long swaths.

1. Find a writing tool. If your journal happens to be found on the computer in the form of a blog, then there is no problem whatsoever as most blogs are automatically written in WordPress or some other blogging site. But if you prefer to go old-fashioned and write it in a notebook or in a journal, then that works too.
