As the author puts it,
“joyriding was the tree that
hid the forest of social
despair and urban
dereliction, the tip of an
iceberg of poverty and
violence that was rarely
reported on.” Joyriding in
Riyadh offers a rich
description of Saudi youth
subculture, with its
celebration of an aggressive
masculinity, of violence
against boys, against
society, and against the
self.

In order to end this
violence, Menoret proposes
the abandoning of the all-
car development schemes
pursued since the oil boom,
the densification of urban
areas, and the expansion of
public transport. Joyriding
in Riyadh tells the story of
drifting through a rare
combination of sources.
Whereas other scholars of

Online Library Joyriding Riyadh Urbanism

Saudi Arabia, such as Madawi Al-Rasheed, have combined anthropology and history before, Menoret stands out on account of the fieldwork he performed among marginalized people between
