The Kaplan Nursing School Admissions Test is a pre-admission assessment that predicts a student's ability to succeed in nursing school. Because the first step in any successful nursing program is selecting the correct students, a test that determines student aptitude is essential. The Kaplan Admissions Test is nationally normed and measures performance and gaps in physiology, math and reading.

One of the best ways to review for the Kaplan Admission Test exam is to spend as much time as possible practicing test questions. Most study guide options offer 2 exams, maybe 3, but no other study guide offers you 4 full-length practice exams. You will find 2 practice tests in the book and online and an additional 2 online only tests. Our online tests can be taken an unlimited number of times while some competitors only let you take the test once. 2 Practice Tests In The Book
