The katana is now synonymous with samurai swords, and Page 19/50

with good reason, it was the primary weapon favoured by the Samurai for hundreds of years and could only legally be worn by samurai. Any lesser caste found with a sword would face instant execution. Samurai swords Page 20/50

would often be worn in a pairing called a daisho, which roughly translates as little big. The samurai sword is the big sword while a wakizashi or a tanto would be the smaller sidekick. It was extremely rare for Page 21/50
