 Kobane Calling is a comic illustrated book written and designed by the Italian author Zerocalcare. Part of the work was published in January 2015 on the Internazionale. The work is a graphic reportage of the journey that the author took to Syrian Kurdistan and the Turkey-Syria border, a few kilometers far from the besieged city of Kobani, among the Kurdish leftist defenders of democratic autonomous region of Rojava, where the people has been fighting against the forces of the Islamic State.

~~Kobane Calling~~ **Wikipedia**  
 'Kobane Calling' written and drawn by Zerocalcare is a autobiographical memoir about a trip to the Rojava region of Syria. Zerocalcare is a fictitious name of an Italian cartoonist. When he learns about what is happening in Rojava, he volunteers with a group of others.

~~Kobane calling by Zerocalcare~~ **Goodreads**  
 Kobane Calling us a graphic novel exploring the experiences of an Italian cartoonist, Zerocalcare, (real name Michele Rech) who went into the region to experience first-hand what is going on there. Think of this as a journaling of some sort about people, events, and personal perspectives about what in Syria.

~~ZEROCALCARE KOBANE CALLING | Amazon.co.uk: Zerocalcare~~ **---**  
 Kobane Calling is Zerocalcare's first graphic novel to be translated into English, written after his visit to the Turkey-Syria border. Kobane Calling was first published in 2016 in Internazionale and was later made into a book. Along with being an excellent piece of work, Kobane Calling gives an important view, through the eyes of a Westerner, of what's happening on the border.

~~Kobane calling~~ **Ahval**  
 Kobane Calling is a short graphic novel telling the story of cartoon artist Zerocalcare's trip to Bakur during the battle for Kobane in Rojava in 2014. This comic is a humorous and beautiful introduction to the Rojava revolution in Northern Syria - a revolution which has placed women's right and grassroots democracy at its centre.

~~Kobane Calling~~ **PM Press UK**  
 Kobane Calling, by Zerocalcare, is back with an updated edition, including a new cover, updated geographical references, a new introduction by the author and the story about Lorenzo "Orso" Orsetti, originally published on Internazionale in July 2019. Copies will be signed afterwards.

~~Kobane Calling - Home | Facebook~~  
 KOBANE is the city that turned the tide against Daesh. It is a largely Kurdish city, in the, predominantly Kurdish, Autonomous Authority of North East Syria - also known as Rojava - hard up against the Turkish border. This will be the seventh year that November 1 has been marked as World Kobane Day.

"For five months, the fanatical soldier-terrorists of the Islamic State laid siege to the Kurdish-held city of Koban, in northern Syria, before finally being turned back by the men and women of the Kurdish militias: the Peoples Protection Units (the YPG) and the Women's Protection Units (the YPJ). When an Italian cartoonist travels across Turke, Kurdish-held Iraq, and rebel-held Syria to document their struggle against ISIS, what he finds is anything but simple." - back cover.

Zerocalcare, the Italian cartoonist, undertook a journey in the Middle East with the association Rojava Calling that tries to help the Kurdish population in their fight against ISIS. The reportage is a heart-breaking tale of courage, friendship and resistance. Zerocalcare, with his unique style and with his incredible sense of humor, gives us a personal report of what happens every day in Syria, and who the Kurdish resistance units really are. A book of beautiful and well-drawn characters, a lot of humor and above all, a lot of sympathy.

Tre viaggi, Turchia, Iraq, Siria, il Kurdistan come i telegiornali non lo raccontano. Le macerie di Kobane e un popolo intero in guerra per difendere il proprio diritto a esistere, proteggendo labili confini la cui esistenza non è sancita da nessun atlante geografico. Zerocalcare ci racconta, con sguardo lucido e solo a tratti ironico, una delle più importanti battaglie per la libertà silenziosamente in corso al mondo. Un libro importante, difficile da inquadrare in poche parole, che raccoglie le due storie già apparse su Internazionale e quasi duecento pagine in più di diario di quei viaggi nel Rojava, la regione che i curdi stanno cercando di trasformare in un'utopia democratica senza uguali in Medio Oriente e forse al mondo.

"Kobane calling is the story of Italian comic book artist Zerocalcare's journey to Jurdistan in 2015 during the battle for Kobane. This battle saw revolutionary defence forces, the YPG and YPJ, defend the city of Kobane and the wider Rojava revolution from the forces of ISIS. Published by the Plan C, an anticapitalist organisation based in the UK, it also contains an introduction by it's Rojava Solidarity cluster and a comprehensive interview with a volunteer working within the revolution. This wonderfully illustrated book is a great introduction to the revolution in Rojava."--Page 4 of cover.

Gertatuak hunkitu egiten nau, ama laztana dirudi. Hau gerra da, kakazaharra, nondik ateratzen du hildako horiek guztiak zaintzeko? Eta nolako indarra ote dauka emakume honek gizateria horren hilkintza guztia bere gain hartzeko?

En su último cómic, Zerocalcare relata en primera persona, con una mirada lúcida y solo a veces irónica, una de las batallas por la libertad más importantes que se están librando en el mundo. En silencio. La Guerra de Siria. - Cuando oigas «ratatata»... es el ISIS. Cuando oyes «tum-tum-tum», somos nosotros. - ¿Y«boom»? - «Sboom» depende. Fuego y luego «sboom», los americanos. «Sboom» y punto, el ISIS. En Kobane Calling acompañamos a Zerocalcare en sus viajes por Turquía, Irak y Siria hasta el corazón del Kurdistán, atravesando zonas de intenso conflicto bélico. El reconocible estilo del autor italiano y su mirada personal se posan en el cerco a la ciudad de Kobane y la lucha del pueblo kurdo contra el Estado Islámico, alejándose de la crónica impasible de los informativos para situar cada viñeta en el paisaje natural y humano de la franja de Rojava. Aquí se nos muestra la lucha de loskurdos por la libertad sexual, social y religiosa, además de por la propia existencia, en un relato que rehúye el titular trillado. Al convivir durante semanas con la población civil y las guerrillas, Zerocalcare se adentra en el día a día de una de las revoluciones más importantes que se están llevando a cabo en el núcleo del islamismo radical... y, quizá, en el mundo entero. Reseñas: «Un libro impresionante, por la viveza de su mirada, por la variedad de sus puntos de vista y por un humor que se nutre de la rica experiencia de Zerocalcare como bloguero.» Fabrice Piault, Livres Hebdo «Kobane Calling es un testimonio redondo, apasionado y divertido.» Pedro Minto, Rolling Stone «Gracias a su estilo único y a un increíble sentido del humor, Zerocalcare nos ofrece un informe muy personal de lo que sucede en Siria y del verdadero rostro de la resistencia kurda.» Europecomics.com

A NEW YORK TIMES BESTSELLER The extraordinary story of the women who took on the Islamic State and won "The Daughters of Kobani is an unforgettable and nearly mythic tale of women's power and courage. The young women profiled in this book fought a fearsome war against brutal men in impossible circumstances--and proved in the process what girls and women can accomplish when given the chance to lead. Brilliantly researched and respectfully reported, this book is a lesson in heroism, sacrifice, and the real meaning of sisterhood. I am so grateful that this story has been told."--Elizabeth Gilbert, author of Big Magic and Eat, Pray, Love "Absolutely fascinating and brilliantly written, The Daughters of Kobani is a must-read for anyone who wants to understand both the nobility and the brutality of war. This is one of the most compelling stories in modern warfare."--Admiral William H. McRaven, author of Make Your Bed In 2014, northeastern

Syria might have been the last place you would expect to find a revolution centered on women's rights. But that year, an all-female militia faced off against ISIS in a little town few had ever heard of: Kobani. By then, the Islamic State had swept across vast swaths of the country, taking town after town and spreading terror as the civil war burned all around it. From that unlikely showdown in Kobani emerged a fighting force that would wage war against ISIS across northern Syria alongside the United States. In the process, these women would spread their own political vision, determined to make women's equality a reality by fighting—house by house, street by street, city by city—the men who bought and sold women. Based on years of on-the-ground reporting, *The Daughters of Kobani* is the unforgettable story of the women of the Kurdish militia that improbably became part of the world's best hope for stopping ISIS in Syria. Drawing from hundreds of hours of interviews, bestselling author Gayle Tzemach Lemmon introduces us to the women fighting on the front lines, determined to not only extinguish the terror of ISIS but also prove that women could lead in war and must enjoy equal rights come the peace. In helping to cement the territorial defeat of ISIS, whose savagery toward women astounded the world, these women played a central role in neutralizing the threat the group posed worldwide. In the process they earned the respect—and significant military support—of U.S. Special Operations Forces. Rigorously reported and powerfully told, *The Daughters of Kobani* shines a light on a group of women intent on not only defeating the Islamic State on the battlefield but also changing women's lives in their corner of the Middle East and beyond.
