From Columbus to George W. Bush (that's a lot of material, people), Leland leads us through American history's mythconceptions, exposing idiocy and inanity along the time line. He reeducates by informing us about myths. For example, Samuel Prescott actually was the guy to alert us that the British were coming and not that Paul Revere dude. Move over Colbert and Stewart; satire has finally found its rightful place in American

His colleagues overwhelmingly censured him on October 24, 1921, by a vote of 293-0."
