Dall'attrice del bestseller Il mio sogno proibito Un fenomeno editoriale da oltre 100.000 copie Reverie Series Dall'attrice del bestseller Non dirmi un'altra bugia Tutto cambia in un batter d'occhio. Tutta la mia vita come l'ho sempre conosciuta ormai non c'è più. Tutti i segreti sono stati rivelati e le promesse fatte sono state disattese irrimediabilmente. La mia famiglia non sarà mai più quella di prima. Così, quando Nicholas Fairfield torna nella mia vita come se non se ne fosse mai andato, io divento matta. Sono fuori di me. Ma anche eccitata. Dentro il mio cuore c'è una battaglia all'ultimo sangue e non capisco chi vincerà. Nonostante la mia confusione, voglio stare con lui. Lo amo. Questo non significa che non sia pericoloso. Qualcuno farà di tutto per allontanare Nicholas da me. E io so solo che non devo lasciarlo andare mai più... La travolgente serie dall'attrice bestseller di «New York Times» e «USA Today» che ha conquistato le lettrici «Odio l'ottovolante al luna park, ma adoro sentirmi sbalottare il cuore così!» «Una serie che mi sta facendo innamorare... di Nick!» «Ho amato ogni singola pagina di questo romanzo. Vorrei che questa storia non finisse mai.» Monica MurphyÈ attrice di diversi romanzi, bestseller del «New York Times» e di «USA Today». Oltre all'acclamata serie One Week Girlfriend (Non dirmi un'altra bugia, Dammi un'altra possibilità, Promettimi che mi amerai, Resta per sempre con me, disponibili anche nel volume unico Segrete Bugie), la Newton Compton ha pubblicato con successo anche la Private Club Series (Non posso fare a meno di te, Ti odierò fino ad amarti, La risposta è amore e Scommettiamo che sarà per sempre?). Con Il mio sogno proibito inizia una nuova saga, la Reverie Series, incentrata sull'amore di Nick e Reverie Hale.

I knew from the moment I first saw him he was the one. The only boy I could ever want. The only boy I could ever love. They say he's bad for me. But I know he's not. Until the day he rejects me. And breaks my heart. Completely. Everything changes in the blink of an eye. My entire life as I've known it is...gone. Secrets are revealed. Promises once made are irrevocably broken. There's no way my family can get back to what we once were. So when Nicholas Fairfield walks back into my life like he never left it, I'm furious. Thrilled. Irritated. Excited. Conflicted. Despite my confusion, I want to be with him. I love him. But danger lurks where we least expect it. Someone will do whatever it takes to tear us apart. All I know is: I won't let them. Because Nick Fairfield? He's mine.

Pearls of Wisdom is a collection of short stories dealing with various metaphysical subjects that moving along the subtle energy trails explore the spirit's different levels of manifestation. They are all independent and complete in themselves and each one touches an important point in the depths of the human collective soul and universal teaching, overcoming the frontiers of space and time. All the stories are the result of the author's direct experience and communicate an important understanding that has contributed with pleasure to forge and consolidate the fundamental matrix of his being. Pearls of Wisdom, talking about meditation, reincarnation, and enlightenment, is also an indication of a method and life's attitude that leads you on a particular trip where the boundaries of individuality extend to more and more distant frontiers.

Breakout sensation Monica Murphy returns with a hot new contemporary romance—a heartfelt story of second chances, forgiveness, and redemption. Commitment. That's what I really want from Colin. Ever since my brother, Danny, died in Iraq, Colin's done so much to help me, including giving me a job at his popular restaurant so I can leave my crappy waitressing job at the strip joint. But lying in bed with him every night to comfort him from his horrible nightmares isn't enough anymore. I know he feels guilty about Danny's death, about not going to Iraq, but I can't keep living this double life. I love him desperately, but he's got so many demons, and if he can't open up to me now, then he'll never be the real partner I need him to be. I gave him a month, and now I'm out of here. If he truly loves me like he says, he knows where to find me. . . . Praise for Three Broken Promises “The heat between these two is explosive. . . . It is the emotion and the shared tragedy between Jen and Colin . . . that takes this book to another level.”—Heroes and Heartbreakers “Filled with emotion, drama, red-hot sex, intensity, and a love that may as well have been written in the stars, Three Broken Promises is another must read from Monica Murphy.”—Holly's Hot Reads “Three Broken Promises is an absolutely out-of-this-world perfect romantic story that swept me off my feet. Once again, I fell in love with [Monica] Murphy's easy style of writing, great sense of humor and ideal characters. . . . I felt glued to the pages and there wasn't a single thing that could make me stop reading.”—Smokin Hot Book Blog “I fell in love with this series the moment I opened One Week Girlfriend and Three Broken Promises didn't disappoint. . . . I can say without a doubt that I enjoyed every minute of this book.”—Book Blogger Paradise “Murphy has done it again. . . . This story will make you smile, it will warm your heart and soul, and it may even have you pulling your hair out as these two amazing people navigate the rollercoaster that is love. I loved everything about it.”—Roxy's Reviews “Such a delicious book . . . Monica's writing is addictive as always, and I'm really looking forward to the next book.”—City of Books

The Mirage of America in Contemporary Italian Literature and Film explores the use of images associated with the United States in Italian novels and films released between the 1980s and the 2000s. In this study, Barbara Alfano looks at the ways in which the individuals portrayed in these works – and the intellectuals who created them – confront the cultural construct of the American myth. As Alfano demonstrates, this myth is an integral part of Italians' discourse to define themselves culturally – in essence, Italian intellectuals talk about America often for the purpose of talking about Italy. The book draws attention to the importance of Italian literature and film as explorations of an individual's ethics, and to how these productions allow for functioning across cultures. It thus differentiates itself from other studies on the subject that aim at establishing the relevance and influence of American culture on Italian twentieth-century artistic representations.
