Here is the new, completely updated and expanded edition of the indispensable handbook used throughout the hospitality industry since The Laws of Innkeepers first appeared in 1972. Containing all the legal information essential to the successful operation of modern hotels, motels, inns, bed-and-breakfasts, clubs, restaurants, and resorts, the book has been extensively revised by John E. H. Sherry to accommodate the far-reaching changes that have occurred since the publication of the revised edition in 1981. Sherry, a practicing lawyer and professor of hotel administration, carries over from the highly praised earlier editions detailed information on the rights and responsibilities of host and guest alike. He cites actual cases/ranging from the amusing and the bizarre to the tragic/as examples, and spells out in precise and readily understandable terms exactly what state and federal law says. Broadening the scope of the book to keep up with recent legal developments, the author includes many new case decisions and summaries from various jurisdictions. Three chapters devoted to employment law, environmental law and land use, and catastrophic risk liability are among the highlights of the new material. These new sections present recent rulings and case law on such timely topics as age, disability, and AIDS discrimination, as well as sexual harassment; government regulation of toxic and hazardous substances and hotel and resort development; and acts of God and the Public Enemy and terrorism.

Have you ever been frustrated that arbitration folk aren't more numerate? The Guide to Damages in International Arbitration is a desktop reference work for those who'd like greater confidence when dealing with the numbers. This second edition builds upon last year's by updating and adding several new chapters on the function and role of damages experts, the applicable valuation approach, country risk premium, and damages in gas and electricity arbitrations.This edition covers all aspects of damages - from the legal principles applicable, to the main valuation techniques and their mechanics, to industry-specific questions, and topics such as tax and currency. It is designed to help all participants in the international arbitration community to discuss damages issues more effectively and communicate them better to tribunals, with the aim of producing better awards. The book is split into four parts: Part I - Legal Principles Applicable to the Award of Damages; Part II - Procedural Issues and the Use of Damages Experts; Part III - Approaches and Methods for the Assessment and Quantification of Damages; Part IV - Industry-Specific Damages Issues

The Successful Law Student: An Insider's Guide to Studying Law is the ultimate guide for all prospective and current law students. Packed full of insights, advice and perspectives from current and past law students, it is the only student guide to draw extensively on real-life examples and advice to help you make the most of your studies.

Readings in the Philosophy of Law brings together central texts on such topics as legal reasoning, the limits of individual liberty, responsibility and punishment, and international law. The included selections provide superb coverage of both classic and contemporary views, and are edited only lightly to allow readers to grapple with arguments in their original form. Culver and Giudice's clear, accessible introductions discuss key terms, claims, issues, and points of connection and disagreement. Readings are placed within their historical and social contexts, with analogies and examples emphasizing the continuing relevance of the arguments at issue. This third edition is updated to take account of the rise of legal pluralism, debates over judicial review of constitutional rights, anti-terrorism laws, hate crime, and non-state law at both regional and global levels.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Slovakia Country Study Guide - Strategic Information and Developments Volume 1 Strategic Information and Developments
