The Little Prince (French: Le Petit Prince, pronounced [lɛ p(ʔ)ti pʁɪ̃s]) is a novella by French aristocrat, writer, and aviator Antoine de Saint-Exupéry. It was first published in English and French in the US by Reynal & Hitchcock in April 1943, and posthumously in France following the liberation of France as Saint-Exupéry's works had been banned by the Vichy Regime.

The Little Prince - Le Petit Prince

The prince admires the lamplighter's sense of duty and notes that of all the people he has met, the lamplighter is the only one whom he could befriend. He advises the lamplighter to walk along with the sunset in order to avoid having to extinguish and rekindle the light continually. The lamplighter says what he really wants is sleep. Unfortunately, the planet is too small for two people, and ...

First published in 1943, The Little Prince by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to find that invisible spark of life which gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupéry, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in The Little Prince, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him personally, but I read in an interview of a movie magazine that he said The Little Prince was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love The Little Prince and as an invitation to quest to all those who long to find their reality. I have followed the same format of my uncle's book and also utilized the same style of drawings, wrapping my own story of how I searched and found the Little Prince with as much similarity as possible to that of his book, for a very good reason: I couldn't have done it in any other way, for I have loved The Little Prince since I was a child. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

J'ai ainsi vécu seul, sans personne avec qui parler véritablement, jusqu'à une panne dans le désert du Sahara, il y a six ans. Quelque chose s'était cassé dans mon moteur. Et comme je n'avais avec moi ni mécanicien, ni passagers, je me préparai à essayer de réussir, tout seul, une réparation difficile. C'était pour moi une question de vie ou de mort. J'avais à peine de l'eau à boire pour huit jours. Le premier soir je me suis donc endormi sur le sable à mille milles de toute terre habitée. J'étais bien plus isolé qu'un naufragé sur un radeau au milieu de l'océan. Alors vous imaginez ma surprise, au lever du jour, quand une drôle de petite voix m'a réveillé. Elle disait " S'il vous plaît... dessine-moi un mouton ! "

The release of the film The Little Prince, adapted from the masterpiece by Antoine de Saint-Exupéry and produced by Mark Osborne, offers a publisher the chance to shed new light on this universal work. The delicate stop-motion animation used in the feature film, created by cutting and animating pieces of paper, sets the stage for a poetic re-reading of this timeless classic. Both young and old are able to relate to the story of the little prince and discover for themselves that "the only way to see is with one's heart."

Get your "A" in gear! They're today's most popular study guides-with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes® has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes™ motto is Smarter, Better, Faster because: · They feature the most current ideas and themes, written by experts. · They're easier to understand, because the same people who use them have also written them. · The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered--context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources--you don't have to go anywhere else!

My book, The Return of The Little Prince, is a sequel to the marvelous and whimsical story of my uncle Antoine De Saint-Exupery, The Little Prince, where myth and poetry mix with reality and speak to us of the eternal in such an innocent manner. Both his story and mine are true. They are real stories of a quest to find that invisible spark of life which gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupéry, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in The Little Prince, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him personally, but I read in an interview of a movie magazine that he said The Little Prince was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love The Little Prince and as an invitation to quest to all those who long to find their reality. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

Hello, I am the Little Prince. Bonjour, je suis le Petit Prince. Meet the Little Prince and read about his tiny planet - in both English and French! This classic, beloved tale is re-imagined as a beautiful, padded board book, with original illustrations and a playful, sweet design.

Peter Sís's remarkable biography The Pilot and the Little Prince celebrates the author of The Little Prince, one of the most beloved books in the world. Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented. Antoine dreamed of flying and grew up to be a pilot--and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections.
