Synopsis. Leadership in Organizations focuses on effective leadership in organizations through both theory and practice. This book explains and critiques the major theories and studies that are most

Download File PDF Leadership

relevant and informative and reviews what we know about leadership effectiveness. This combination of theory and practice makes this text a useful resource for practicing managers who are looking for something more than superficial answers to difficult questions about leadership.

Yukl takes an objective
stance on various
leadership models.

Research findings are
critically compared to
popular theories, and he
is good at raising new
ideas and concepts,
pointing the direction
towards future studies.
