The book is helpful when one wants to learn tattooing, especially because of the DVD. The DVD shows the techniques in several classes and it really helps to see the movements. The DVD only shows the techniques, it is not a tat along DVD showing the process of the project patterns in the second part of the book.

Very good book with helpful DVD. All steps required to learn the basics are set out clearly. Unlike many small, older tattooing pamphlets and books this volume is approximately A4 size and the photographs are in colour - this makes the instructions far easier to follow. Some patterns for projects are included.

Learn to Tat is put together by classes, and each class teaches a new technique or stitch.With the instructional DVD that is included, this is by no means an easy craft, but after a little practice some good results can be achieved. The DVD is presented with classes, and with this is a simple and easy book that teaches the art of Tattooing.. Tattooing is a age old craft which simply put is a knotted lace that is used for edging and trimming.
