Introduce the Language of Opinion Writing. The very first thing we did during a writing mini-lesson was go over the language of opinion writing and how certain words, like fun and pretty are opinion clues because while they may be true for some people, they are not true for everyone. We also discuss how other words, called transitions, are signals to your reader as to where you are in your writing: the beginning, middle or end.

Step 2: Offer examples of op-ed writing by looking at the letters to the editor or opinion page of the local newspaper. Display a short letter to the editor for the class to view together. Read the letter aloud and then underline the "opinion" portions of the letter in one color and the "supportive evidence" in another.

**It's Your Opinion | Scholastic**

The first few days of a Writer's Workshop are extremely important. They set the groundwork for how the class will function throughout the entire year. It's important to take it slow and not just jump directly into writing pieces. This unit gives a few suggestions on how to get the students motivated and excited about writing.
