Copywork is a great activity to not only improve hand writing, but to also ponder great writing, spelling, vocabulary and sentence structure. As beneficial copywork is in your homeschool, it isn't always easy to find selections that you would like to have your children copy without spending many hours in pulling them all together.

#### [Copywork Resources for All Ages - The Joyfilled Mom](#)

One of the most important educational aspects of copywork is that students can be self monitoring and mindful. With this book, lines have been added below each quote, yet they are not the lines with any half line dashes, making it difficult for young students to monitor their strokes.

Jan 29, 2012 - Copywork should be easy. It should be related to the history lesson or pulled from the read-aloud selection. It can come from art, music, or science. It can be a statement, a poem, or a definition. Copywork should be easy, but if I do not take the time to gather and organize the passages it becomes a tedious, time-...
