Looking For Palestine Growing Up

Najla grew up confused and troubled with her identity.

Looking for Palestine is her memoir, which describes her childhood to present day and how she has dealt with her experience of never quite fitting in. I had high hopes for this memoir, but was unimpressed.

Najla Said, Looking for Palestine: Growing Up Confused in ...

Looking for Palestine: Growing Up Confused in an Arab-American Family. The United States may be the last nation to imagine Palestine. We have so much more to untangle than the rest of the world. So a memoir by an American woman raised in the heart of the New York City elite is a welcome addition to the newly emerging literature by and about this multidimensional people living in exile in diaspora or under occupation and siege.

academic Edward Said begins her new book by saying, "I am a Palestinian-Lebanese-American Christian woman, but I grew up as a Jew in New York City.

Najla Said: "Looking For Palestine: Growing Up Confused In

...

Thoughtful, searching, and open-eyed, Looking for Palestine takes readers on a journey into an Arab-American girl's search for identity. The joy and pain of growing up in the long shadow of a brilliant parent, the struggle for meaning and belonging, and the painful dispossession of the Palestinians are all treated with tender care as Najla Said gives us a haunting and singular life story." Diana Abu-Jaber, author of Crescent
