This first novel in the Noble Warriors sequence begins when sixteen-year-old Seeker's older brother is publicly humiliated and--with no explanation--exiled from the Nomana, a revered order of warrior monks. Seeker refuses to believe that his beloved older brother is capable of committing a betrayal that would warrant such severe consequences, so he sets off alone on a journey to rescue his brother and find out at last what really happened. Along the way he meets two other young people who are on quests of their own, and in a shocking turn of events, the three are soon caught up in a harrowing and bloody race to save the Nomana--and themselves—from destruction. An epic coming-of-age story about courage, friendship, desire, and faith, Seeker marks the beginning of a riveting new series.

"The characters Taylor has created for his 4-book series are personable and capable, but they are not super-heroes, and I'm glad they aren't. I cannot relate to the dangers they face, but I can relate to their feelings about what is happening to them, and can almost feel their panic as they face an unknown future.
