*Mastering Your Adult ADHD: A Cognitive-Behavioral ...*

The program helps adult clients with ADHD learn skills to help them cope with their symptoms. Core modules on organizing and planning, reducing distractibility, and adaptive thinking are included, as is an optional module on reducing procrastination. An informational meeting can also be included with a spouse, partner, or family member.

*Mastering Your Adult ADHD: A Cognitive-Behavioral ...*

This client workbook is an accompaniment to the therapist guide for the second edition of Mastering Your Adult ADHD. The treatment and manuals are designed for clients to complete with the help of a therapist who is familiar with cognitive-behavioral therapy. The program helps adult clients with ADHD learn skills to help them cope with their ADHD symptoms.
