SIAM Conference on Mathematics of Planet Earth (MPE18) Programme | Mathematics of Planet Earth. The MPE CDT is a 1+3 year funded PhD programme, with the first year taking the form of an MRes (Masters by Research) course. The following 3 years focus on the PhD project. Upon successful application, students will be assigned to either Imperial College London or the University of Reading as their host institution, and will receive their PhD degree from that institution.
