May I Have Your Attention Please?:

Amazon.co.uk: Corden ...

Yes, James, you've got our attention. You've released your autobiography and, as a huge 'Gavin and Stacey' fan, I was so excited to read it. Not only is he the man responsible for one of the - if not the - biggest British comedies in the last decade, he's also well-known for his roles in ITV's 'Fat Friends' and both the stage and movie productions of Alan Bennett's 'The History Boys'.

James Corden

May I Have Your Attention Please? is the warm, cheeky, surprisingly honest and hilarious story of one of our most popular comedy talents. From his antics as one of the founding players of his high-school's first ever rugby team to gaining recognition in the West End, to nationwide fame as the loveably loud Smithy in the award-winning Gavin and Stacey, this is a tenderly told story of what it's like to try, try and try again and - happily - get there in the end.

Attention. "Our attention," writes Dan Nixon, in this thought-provoking article, "when we fail to put it to use for our own objectives, becomes a tool to be used and exploited by others." Nixon argues that our attention is something to be guarded and framed as an experience, "not a mere means or implement to some other end."

jargon and waffle. But writing thoughtful and creative content marketing isn't always easy, so a little help is usually welcome.

AIDA: May I Have Your Attention Please?

Previous research has shown that negative stimuli elicit more attention than do positive stimuli. However, this research has relied on response-based measures to assess attention. The current research uses the P1 component of the event-related brain potential (ERP) as a proximal index of attention allocation to valenced stimuli.

achieve focus. With technology creating endless opportunities to "improve productivity", people spend so much time responding to the interruptions that they've lost the ability to focus and do their jobs. Yet, the potential for harnessing the power of your team's attention has never been greater--if you can capture it. You'll learn how to: Implement a comprehensive organizational strategy to increase focus and overcome digital distraction. Take back control of the technology in your organization and life. Establish a Communication Compact, defining how, when, and why your team will communicate with each other. Create a "vault" to increase productivity, decrease stress, and boost your creativity. Free yourself and your employees from the never-ending flood of emails and messages.

ancient attention skills and new science will transform your thinking about what human attention is as well as offer a guide to incorporating its insights into your daily life. Can I Have Your Attention? even presents a redefinition of attention deficit and reveals a variety of natural, non-medical tools that can significantly amp up anyone's attention!

So... the story of my life. I've often thought about this moment, about what it would be like to write my memoirs. I always thought it would make me feel important. It doesn't. If anything it makes me feel a little strange. The truth is, I should never have been this famous guy. I wasn't the cool, clever, good-looking boy at school. But I always dreamt of it, hoped for it, longed for it: throughout

Access PDF May I Have Your Attention Please Your

school when I was disruptive, in my teens when I tried to form my own boy band and through hundreds of auditions for parts which were met with constant rejection. Until finally I co-wrote Gavin and Stacey. And my whole life changed. This is that story. The story of how I found myself here, talking to you.

As far back as he can remember James Corden has only ever wanted to be in one place: in front of you, doing something to make you cry, shout, scream or giggle uncontrollably. He knew where he wanted to be and he'd keep on trying until he got there. This is the story of how it all happened.

What's a businessperson's biggest hidden asset? His or her own true

(TN) is founder and Vice Chair of Dalmatian Press, one of the U.S.'s most successful children's book companies. Formerly a scientist and now a publishing leader, she regularly speaks before industry leaders, live television audiences, and large conventions. Chris has been interviewed for Forbes, Inc., the Wall Street Journal, Southern Living, and Publishers Weekly and has appeared on television shows as an expert on building brands through the use of personal identity.

Let's not mince words here: most business writing is tedious, pompous and bereft of the tiniest sliver of personality. It's near impossible for customers to cut through the "innovative solutions" and "passion for customer service," and find out who

Acces PDF May I Have Your Attention Please Your

can actually give them what they need. For the business owner who's willing to do something different, though, it represents a major - and inexpensive - competitive advantage. May I Have Your Attention, Please? lays out 12 simple principles that allow business owners - even those with no writing experience - to attract and enchant their dream customers. With clear and concise explanations of what works and why, and examples of the best and worst text out there, you'll have all the tools you need to turn readers into buyers into raving fans. Give your writing skills an instant upgrade In this short book, you'll learn: Simple techniques to turn your dull-as-dishwater business marketing into "can't resist" copy - even if you don't think of yourself as a "good writer." How to make price irrelevant and be

Access PDF May I Have Your Attention Please Your

the only choice for your ideal customer - by changing nothing except your copywriting. The business writing "rules" you should revel in breaking.

Why copying your competitors is a dangerous waste of time... and what to do instead (without spending hours searching for ideas). The easily avoidable mistakes that are turning your customers off - even if they don't know it. A simple framework to help you blast through writer's block and know exactly what to say in any piece of writing. How to "read your customers' minds," and get them looking for reasons to buy from you. Who is this book for? Business owners looking to breathe more life into their website, content marketing or sales materials. Employees who want to gain a new skill and have more impact in their work. Anyone who has

never get their business. The insights and instantly useful ideas here will get smartphones down and eyebrows up. Readers will appreciate these innovative, but proven ways to win respect and motivate people to take action now, whether that's to hire you, refer you, fund you, or say yes to you.

--

'One of the most important and compelling books I've ever read...If you want to understand why we are in this crisis, listen to the voices all too often airbrushed from the political conversation' Owen Jones Now We Have Your Attention makes sense of what is happening in British politics by taking a radically different perspective: the people's. From a warehouse in Manchester to a pub in Essex, from the outskirts of Glasgow to a

Acces PDF May I Have Your Attention Please Your

racecourse in Durham, Jack Shenker uncovers the root causes of our current crisis and the future direction of British politics through the lives of ordinary individuals. Taking us deep into communities hollowed out by austerity and decades of economic disadvantage, among a generation crippled by precarious work and unaffordable housing, he shows where the chaos at Westminster ultimately springs from - and how disillusionment with it is fuelling a passionate engagement with politics of a completely different kind: local, personal, effective and utterly fearless. Joining a 'McStrike' protest on a roundabout in Cambridge and a gathering of the London Renters' Union in the aftermath of Grenfell, meeting hard-right bloggers in Newcastle and climate change

Access PDF May I Have Your Attention Please Your

protesters in Brighton, Shenker draws on exceptional access to campaign groups, activist movements and grassroots gatherings throughout the country - including unique access to Momentum, who have re-radicalised the Labour party from the outside in - to introduce us to the citizens and leaders of tomorrow: people who are changing things for themselves. Inspiring and terrifying in equal measure, *Now We Have Your Attention* uncovers a revolutionary transformation in attitudes and behaviour, and a future that will shape us all.
