Mechanical, Electrical and Plumbing Partners (aka MEP Home Services) was founded in 2010 by Drew & Sara Warren, Mikey & Lindsey Colgan and Tim & Colleen Colgan. Our families have deep roots in Northern Virginia. This includes a solid reputation across generations of caring for and investing in our community.

HVAC, Plumbing, and Electrical with MEP Home Services ...

Mechanical, electrical and plumbing refers to these aspects of building design and construction. In commercial buildings, these elements are often designed by a specialized engineering firm. MEP design is important for planning, decision making, accurate documentation, performance- and cost-estimation, construction, and operating/maintaining the resulting facilities. MEP specifically encompasses the in-depth design and selection of these systems, as opposed to a tradesperson simply installing eq
